RESPONDENT'S MOTION TO SHOW GOOD CAUSE

1. I Stacey L. Allen plead the court to allow me to show good cause and to why the previous decision should be vacated and a new hearing be granted.

2. Due to the complications of my current medical condition, I had missed my court date and was unable to plead my side of the case.

3. Due to my inability to track and maintain information, I have obtained legal counsel, to direct and lead me in my pursuit for my medical retirement.

4. I have undergone additional surgeries and believe that my inability to heal correctly has greatly reduced my range of motion.

5. I am able to provide additional evidence to substantiate my medical claims.
