Circular Letter

TO: ALL CalPERS EMPLOYERS

SUBJECT: INTRODUCTION OF my|CalPERS WEB SITE

On June 27, 2007, CalPERS will launch my|CalPERS, an exciting new Web site that will provide your employees – CalPERS members – a one-stop shop for all their retirement, health, and financial planning needs.

my|CalPERS is a secure, personalized, centralized Web site that allows CalPERS members to view and manage their personal CalPERS information and conduct personal CalPERS transactions online. To use my|CalPERS, members will need to register for a User ID and Password. We've integrated our registration process so that members who have registered to use our online services in the past do not have to re-register. They can use their existing CalPERS User ID and Password.

my|CalPERS makes it easier for members to interact independently with CalPERS so that they can take care of routine CalPERS transactions online, giving you more time to assist employees with more complex issues.

my|CalPERS offers many benefits to both active and retired members:

- my|CalPERS **puts members in control** so they can view and access their own personal information online.
- my|CalPERS **offers a unique experience** based on member's profile and personal data available with CalPERS.
- my|CalPERS **offers the convenience of anytime, anywhere access** online.
- my|CalPERS **provides a secure and protected online experience** for interacting with CalPERS.
- my|CalPERS **keeps members informed** by allowing them to view CalPERS Disability Retirement application and Service Credit purchase statuses and their statements.
- my|CalPERS **supplies members easy access** to important news and information about CalPERS retirement benefits, health benefits, financial planning and more!

The launch of my|CalPERS establishes the framework for future enhancements to our self-services offerings, as part of a larger effort at CalPERS to improve customer service by making more products and services available online. Additional my|CalPERS features are scheduled for release throughout the 2007-2008 fiscal year.

To help you inform your employees about the benefits of my|CalPERS, we will also have information in the Employer area of our Web site, in the section titled *Tips for Helping Your Employees*. You'll be able to download posters, flyers, and other materials to announce the launch of my|CalPERS to your employees, as well as get information about how my|CalPERS can help your employees take a more proactive role in planning for their financial future by using our enhanced online services.

If you have any questions, please contact the Employer Contact Center at **888 CalPERS** (or **888-225-7377**).
