

PEPRA MEMBER CONTRIBUTION RATES

PEPRA members are required to contribute at least 50% of the total annual normal cost of their pension benefit. As per Government Code section 7522.30, State employees are excluded from this requirement except for employees of the Legislature, California State University (CSU), and the judicial branch.

The total normal cost of PEPRA members' benefits is remeasured annually as part of the actuarial valuation based on the active PEPRA population in the plan. If the total normal cost changes by 1% or more from the base total normal cost established for the plan, the new member rate shall be 50% of the new normal cost rounded to the nearest quarter percent.

The table below shows the determination of the member contribution rates effective July 1, 2021 based on 50% of the total normal cost for each respective plan as of the June 30, 2020 valuation.
