**Dear NetValue member:**

We're writing to let you know that we will no longer offer the NetValue plan to CalPERS members, effective January 1, 2017.

### **How this change will affect you**

During Open Enrollment, you can select our Access+ HMO plan and **keep all your current health care providers and the exact same benefits**. With Access+, you will also have access to a large, quality network of doctors, specialists, and hospitals. Like NetValue, Access+ also offers many care options such as self-referral to specialists, second opinions, and Teladoc, so you can choose what's right for you and your family.

### **The choice is yours**

1. You can switch to the Access+ HMO plan and stay with your current Personal Physician and medical group by completing a new enrollment form during CalPERS Open Enrollment; or
2. You may change to another health plan during CalPERS Open Enrollment.

**You will need to make a decision during CalPERS Open Enrollment, September 12 through October 7, 2016. If you do not take any action, you will be automatically enrolled into the Blue Shield Access+ HMO plan.**

### **We're here to help**

We want to help you make the best decision for your healthcare coverage in 2017. If you have any questions, please call Shield Concierge at **(800) 334-5847**, 7 a.m. to 8 p.m., seven days a week.

Sincerely,

**Blue Shield of California**
