An act to amend Sections 22011, 22802, 24204, and 26804 of the Education Code, and to amend Sections 20320, 20322, 20324, 31530, 31565.5, 31680.2, 31680.3, 31732, and 31781.2 of, to add Section 21499.1 to, and to repeal Section 31641.8 of, the Government Code, relating to retirement.

LEGISLATIVE COUNSEL'S DIGEST

SB 634, as introduced, Committee on Labor, Public Employment and Retirement. Public employees' retirement.

(1) Existing law, the Teachers' Retirement Law, establishes the State Teachers' Retirement System (STRS) and creates the Defined Benefit Program of the State Teachers' Retirement Plan, which provides a defined benefit to members of the program, based on final compensation, credited service, and age at retirement, subject to certain variations. STRS is administrated by the Teachers' Retirement Board. Existing law requires STRS to pay premiums associated with Medicare Part A for certain retired or disabled members, as specified. Existing law creates the Cash Balance Benefit Program, which is administered by the board, to provide a retirement plan for the benefit of participating employees who provide creditable service for less than 50% of full time.

Existing law applicable to the Defined Benefit Program, for applications and documents requiring a signature, requires that the signature be in a form prescribed by the system.

This bill would apply the above-described requirements regarding signed applications and documents to the Cash Balance Benefit Program and the requirement that STRS pay certain Medicare Part A premiums.

Existing law authorizes a member of STRS who is not retired and who was previously excluded from membership in the Defined Benefit Program request to purchase service credit in the program for certain types of other service. The bill would delete and obsolete cross-reference.

This bill would prohibit a member from purchasing service credit for any school year if the purchase would result in more than one year of service for that school year.

Existing law authorizes a member of STRS who files an application for service retirement to change or cancel their retirement application if specified requirements are met. In this regard, existing law requires a member to return the total gross distribution amount of all payments for any canceled retirement benefit, including a lump-sum payment, as specified.

This bill would extend the requirement to return total gross distribution amount, as described above, to apply to any canceled benefit.

(2) The Public Employees' Retirement Law (PERL) creates the Public Employees' Retirement System (PERS), which is administered by the Board of Administration of the Public Employees' Retirement System. PERL excludes specified appointees, elective officers, and legislative employees from membership in the system unless the person to whom these provisions apply elects to file with the board an election in writing to become a member.

This bill would prescribe the circumstances pursuant to which the start date would be determined for an appointee, elective officer, or legislative employee who elects to become a member of PERS. If the written election is received by the system within 90 days of the applicable appointment, current term, or start date for the position, the bill would require that the effective date be the start date of the appointment, the start date of the term, or the start date of the position. If the election is not received by the system within 90 days, as specified, the effective date would be the first day of the month in which the election is received by the system.

PERL prescribes the circumstances pursuant to which specified payments and benefits may be paid by PERS in connection with the death of a member, among others.

This bill would require that overpayments, issued after the date of death to a member, retired member, or beneficiary, made to or on behalf of any member, retired member, or beneficiary, as specified, be deducted from any subsequent payment or benefit that is payable by PERS as a result of the death.

(3) The County Employees Retirement Law of 1937 (CERL) authorizes counties to establish retirement systems pursuant to its provisions for the purpose of providing pension, disability, and death benefits to county and district employees. CERL vests management of the retirement systems created pursuant to its provisions in a board of retirement. CERL requires the county health officer to advise the board on medical matters and, if requested, attend its meetings.

This bill would authorize a county health officer's duly authorized representative to also advise the board of retirement with advice on medical matters.

CERL authorizes a member of a system established under its provision who ceases to be an employee of the county under certain provisions of the Education Code to elect to remain a member of the CERL system.

This bill would correct an obsolete cross-reference in this regard.

CERL provides benefits based upon service credit, defines service for this purpose, and authorizes a member to elect to receive service credit for other forms of public service, as defined, by making contributions. CERL authorizes a member who has elected to make contributions to receive service credit to complete payment, at any time prior to the effective date of the member's retirement, by a lump sum.

This bill would repeal the above-described authority of a member to complete a payment by lump sum.

CERL requires a board of retirement to secure medical, investigatory, and other service and advice as is necessary for the purpose of administering provisions relating to disability retirement.

This bill would authorize the board to contract with a physician in private practice for the medical advice necessary to carry out the purpose of provisions relating to disability retirement.

This bill would make various technical and stylistic changes.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

20 member, without either making the election or receiving any

32 students in an accredited school as determined by the board.
