## Circular Letter

June 20, 2016

TO: **ALL SCHOOL EMPLOYERS**

SUBJECT: **SCHOOL 1959 SURVIVOR MONTHLY PREMIUMS  
FOR FISCAL YEAR 2016-2017**

The purpose of this Circular Letter is to inform you that the CalPERS Board of Administration approved the required premiums for the School 5th Level pool of the 1959 Survivor Program on April 20, 2016. The 1959 Survivor Benefit Program is an employer contract provision that provides monthly benefits for eligible survivors of participating members who die while actively employed.

The employee premium for the 1959 Survivor Program is defined in the Public Employees' Retirement Law to be \$2.00 monthly per member until the total required premium for the benefit level exceeds \$4.00 monthly per member. Once the total premium required exceeds \$4.00, the premium is shared equally by the employer and employee.

The employee premium will remain at \$2.00 per month for Fiscal Year 2016-17.

There is no required employer premium for Fiscal Year 2016-17.

The required employer and employee premiums for the 1959 Survivor Program may vary from year to year due to investment returns and mortality gains and losses experienced by the pool. The funded ratio of the School 5th Level pool is 529.9% on a market value basis and the total required premium is not expected to exceed \$4.00 per member, per month for at least the next several years.
