**2014 Health Plan  
Names and Plan  
Codes**

This Circular Letter addresses the 2014 Health Plan Name and Plan Code changes.

CalPERS added four HMO plans to its program for 2014, expanding its list of HMO plan providers to six. With this expansion, we took the opportunity to change the existing plan names in our system, to accurately describe the type of plan. This system update will provide clarity to you and your employees.

The updated plan names for the existing plans are now viewable and available to select when processing transactions in my|CalPERS.

The 2014 health plan names and the updated existing plan names will reflect in the Open Enrollment packets mailed to enrolled employees on **August 19, 2013** and **August 26, 2013**. You can select the 2014 health plans when processing Open Enrollment transactions in my|CalPERS beginning **September 16, 2013**.

For additional information please refer to our Open Enrollment Circular Letter 600-045-13.
