Strategic Plan

This item is not a specific product of either the Strategic or Annual Plans. The determination of administrative appeals is a power reserved to the Board of Administration.

Procedural Summary

Respondent Lashmet submitted an application for service retirement on March 28, 2017, and retired for service May 20, 2017. On May 29, 2020, Respondent applied for Disability Retirement due to internal (prostate cancer) condition. Because the Disability Retirement Application was a "change in retirement status" and was not timely, CalPERS requested medical reports concerning Respondent's medical condition and information about why the member had not claimed disability at or near the time he separated from employment. After review of applicable medical reports and information, CalPERS determined that Respondent's failure to submit a timely application for Disability Retirement was not a correctable mistake and therefore, it could not accept his late-filed disability retirement application. Respondent appealed this determination and the matter was heard by the Office of Administrative Hearings on May 12, 2021. A Proposed Decision was issued on June 9, 2021, affirming CalPERS' determination and denying the appeal.
