

Legislative History

- 2004 Chapter 231 (SB 1603, Committee on Public Employment and Retirement) – Among its numerous provisions, this bill specified that if a charter school chose to participate in CalPERS, its qualified employees shall be covered in the same manner as the employees of the school district that granted the charter. This bill was a CalPERS sponsored omnibus bill.
- 1992 Chapter 781 (SB 1448, Hart) – Authorized the creation of charter schools in California and specified the various conditions required for establishment and operation of charter schools. Among its numerous provisions, the bill authorized, but did not require, charter schools to participate in CalSTRS and CalPERS.
