DECLARATION OF REBECCA VALDEZ

I, REBECCA VALDEZ, declare and state that:

1. I am the City Clerk of the City of Bell and have served as such continuously since August, 2004. In such capacity I am responsible for, among other things, the storage and maintenance of official city records, preparing, assembling and distribution of City Council agendas and back up information for agenda items, taking minutes of City Council meetings, responding to Public Records Act requests, and obtaining necessary signatures to documents after they have been approved by the City Council. In addition, I also hold the position of Senior Human Resource Analyst with the City of Bell. In that position, I am in charge of personnel matters under the direction of the Chief Administrative Officer. As such I have personal knowledge of the matters set forth herein and could and would competently testify thereto if called as a witness.
2. "Agenda packets" in the City of Bell are documents that support each item on the City Council's Agenda for each City Council meeting. They are prepared, stored and maintained by the City Clerk's office and distributed to City Council Members and senior staff members prior to each City Council meeting. "Agenda packets" typically consist of staff reports, proposed ordinances, proposed resolutions, proposed contracts, and other items that may be relevant to a particular agenda item.
3. The agenda packet for the City Council's June 30, 2003 meeting contained Pier' Angela Spaccia's original Employment Agreement, but no staff report by either the Chief Administrative Officer or the City Attorney.
4. The agenda packet for the City Council's June 28, 2004 meeting did not contain Pier' Angela Spaccia's Addendum No. 1 to her original Employment Agreement, nor the original Employment Agreement itself. There was also no staff report or other "back up" documents for consideration of Addendum No. 1, which was approved by the City Council as an item on its consent calendar. A true and correct copy of the portion of the June 28, 2004 Agenda showing this consent item is attached hereto as Exhibit A.
5. Addendum No. 2, dated July 1, 2005 and Addendum No. 3, dated July 1, 2006 were not on any City Council agendas, nor were they included in any agenda packets. After the City Council's approval of Addendum No. 1, I have been unable to

locate any City Council agendas, agenda packets or Minutes of City Council meetings that reflect any further consideration of Pier'Angela Spaccia's employment with the City of Bell by the City Council.

6. In June, 2010, the City of Bell received a Public Records Act request from the Los Angeles Times. In preparing a response to that request, I looked for, but was unable to locate, the employment agreements for the Chief Administrative Officer, Chief of Police, and other city senior staff and City Council members, even though in the normal course of business, such documents are kept in such employees'/Council Members' personnel files.

7. The City of Bell has not established any schedule for the salary for the position of Assistant to the Chief Administrative Officer or Assistant Chief Administrative Officer, nor have there ever been any Job Descriptions for such positions. The position of "Secretary to the Chief Administrative Officer" was the predecessor position of Assistant to the Chief Administrative Officer before it was renamed. The position of Secretary to the Chief Administrative Officer was included in a salary schedule as reflected in City of Bell Resolution Nos. 95-43, 96-23, 96-28, and at all times such documents set forth the maximum monthly step as \$3, 179 per month. (Calpers Exhibit 20).

I declare under the laws of the State of California that the foregoing is true and correct. Executed this 13th day of December, 2012 in Bell, California.

20 Request for Cross-Examination

21 Pier' Angela Spaccia requests that she be given the right to cross-examine affiants
 22 Tomi Jimenez, Rebecca Valdez, and Kung-Pei Hwang pursuant to Government Code
 23 Section 11514. Pier' Angela Spaccia believes that it is important for the Court to hear
 24 the cross-examination to either disprove the allegations in the affidavits or put the
 25 assertions in the affidavits in proper perspective.

26 Courtesy Notification

27 Rebecca Valdez, the current City Clerk for the City of Bell has confessed in open
 28 court and under oath to substantial felony criminal violations in fabricating government

1 documents in response to Public Records Act requests. She has also testified to
2 misleading Mayor Oscar Hernandez to sign documents which she misrepresented to
3 him. In order to so testify at the preliminary hearing, she was granted use immunity by
4 the Los Angeles District Attorney's Office. That immunity applies only to her testimony
5 at the preliminary hearing.

6 Pier'Angela Spaccia believes that the affidavit submitted by Rebecca Valdez is
7 arguably false or in reckless disregard of the truth which might subject her to criminal
8 prosecution. Moreover, the criminal activities to which she confessed in Los Angeles
9 Superior Court would be a proper subject matter of cross-examination.

10 Counsel for Pier'Angela Spaccia also knows that Rebecca Valdez has consulted
11 criminal counsel prior to her testimony in the Los Angeles Superior Court.

12 In order to expedite the proceedings, it is important that CalPERS obtain from the
13 Los Angeles District Attorney's Office or the Attorney General's Office immunity for
14 Rebecca Valdez so there will be no question that she can testify at the upcoming
15 hearing. Pier'Angela Spaccia wishes to bring this to the Court and counsel's attention
16 so that there will be no unnecessary interruption in the proceedings.

17 Respectfully submitted,

DECLARATION OF TOMI JIMENEZ

I, TOMI JIMENEZ, declare and state that:

1. I am a Staff Services Manger II, with the Compensation Review Unit, for the California Public Employees' Retirement System (CalPERS). I am the immediate supervisor of Terrance Rodgers and in such capacity I have personal knowledge of the determination regarding Pier'Angela Spaccia's final compensation for the City of Bell used by CalPERS in the calculation of her service retirement. I am also familiar with the requirement that participating employers, such as the City of Bell, must report service and payroll of their respective employees to CalPERS.

2. I am aware of the testimony provided in this matter by Mr. Rodgers and Ms. Barbara Heard. I am providing this declaration in part to supplement that testimony and the evidence admitted in this matter to date.

3. Attached hereto as Exhibit "A" is a true and correct copy of the official CalPERS record of the payroll detail report for Ms. Spaccia by North County Transit (NCT). In that position Ms. Spaccia's salary was reported on an hourly basis at the rate of \$47.70 per hour. Ms. Spaccia worked at NCT for 5.162 months. Attached hereto as Exhibit "B" is a true and correct copy of the payroll detail report by Public Transportation Services Corporation (PTSC). (The agency Code for PTSC change on June 30, 2000 from 1149 to 1717.)

4. The City of Bell contracted for a twelve month final compensation period. Spaccia's salary paid by the City of Bell did not qualify to be used as compensation earnable under Section 20636 of the Public Employees' Retirement Law (the "PERL"). Therefore, CalPERS established a final compensation for Spaccia's service at Bell by using the highest average final compensation for her service to non-Bell CalPERS employers, NCT and PTSC. CalPERS used 5.162 months of employment with NCT, at average rate of \$8,268.00 per month ($\47.70×173.333 hours) and multiplied that times the period of employment to get her total compensation for that period of \$ 42,679.41. CalPERS then used the Ms. Spaccia employment with PTSC for the balance of the twelve months. CalPERS took the pay rate of \$7,341.66 and multiplied it by 6.838 months or \$50,202.27 To obtain an average 12 months for Bell, CalPERS combined

these totals and divided them by twelve ($\$42,679.41 + 50,202.27 = \$92,881.68 \div 12$). This results in average 12 month compensation with the City of \$ 7,740.14. CalPERS further reduced that amount by a Social Security offset of \$133.00 yielding a total final compensation amount of **\$7,607.14**.¹

I declare under the laws of the State of California that the foregoing is true and correct. Executed this 14 day of December, 2012 in Sacramento, California.

TOMI JIMENEZ, SECTION MANAGER

¹ When issued the December 2, 2010 determination letter there was an error on page 2, where the final compensation is reported for Bell was stated as \$7,802.07. The correct figure is as stated above.
