Comment	<p>Contacted Kerry Griffin with CalPERS to verify why reciprocity was established for this member. We both looked into our account to see as to the reason reciprocity was established per MDL# 74887446 pg. 2. According to my timeline reciprocity should not be established. Kerry from CalPERS will get back at me about his account. We are also looking into the possibility that he may have reciprocity with another Agency.</p>

She said that the member went to the Board to protest the Reciprocity Denial. She also said that their Legal department needs a copy of the 1004 Inter System Membership Advice for legal purposes. MDL# 0314 was completed and mailed out but Kerry states they have not received the 1004. Will fax the 1004 to 916-795-7878.</p>
