Mr. Fred Guido

Dear Mr. Guido:

This letter is sent to acknowledge the receipt of your letter of appeal received July 29, 2009 directed to Darryl Watson, Chief of the Member Services Division, regarding reciprocity with LACERA. Your letter has been referred to me for response.

We apologize for any confusion and assure you that CalPERS remains committed to assisting our members in all matters related to their retirement within the scope of the statutory authority available to us.

In researching members' requests, there are many occurrences where we work with other divisions or with employers to make a determination on a request. In this case, we worked collectively with LACERA to ensure that we provided you with an accurate response.

The Appeal process is often a lengthy one, and for this we do our best to work as quickly as possible to prepare and present your request to our Legal Division.

The next acknowledgment you will receive will be coming from the CalPERS Legal Department and you will be assured that your appeal is progressing through the process.

Again, we apologize for any delays that have been experienced. If you have any additional questions, please feel free to contact me at (916) 795-0828.

Thank you,
