

**ATTACHMENT C**  
**RESPONDENT'S ARGUMENT**

April 2, 2014

Andrew Castillo

To whom it may concern:

Please accept this letter as my appeal to the court's decision to deny my medical retirement through CalPers. I disagree with the report from Dr. Rush on the basis that he ran absolutely no pulmonary tests, blood tests or any tests other than the knee reflex. Dr. Rush spent approximately 10 minutes with me face to face. Due to my financial limitations, I'm unable to hire a lawyer or doctor to testify on my behalf. I would like to have another attempt to take this to trial once I'm able to afford representation and medical testimony.

Sincerely,

Andrew Castillo
