

Legislative History

- 2013 AB 459 (Mitchell) – Increased the required percentage of food and beverages meeting specified nutritional guidelines that are provided in vending machines on State owned or occupied property, to 50 percent by January 1, 2015, and increased the percentage each year by 25 percent until it reaches 100 percent. It also required all new or renewed contracts for food concessions and cafeterias on state property to include specified food and nutrition guidelines, and encouraged vendors to offer food and beverage items grown, packaged or produced within the State.
CalPERS Position: Support.
- 2011 AB 727 (Mitchell) – Required vendors operating vending machines on state property to offer in any machine at least 50 percent of food and beverage items, as defined, meet accepted nutritional guidelines.
CalPERS Position: None.
- 2008 Chapter 597 (SB 441, Torlakson) – Required vendors operating vending machines on state property to offer in any machine at least 35 percent of food items and at least one-third of beverages that meet accepted nutritional guidelines, as defined.
CalPERS Position: None.
- 2006 SB 254 (Torlakson) – Required each vendor that operates or maintains a vending machine on designated state property to satisfy the requirement that at least 50 percent of the food and beverages offered in the vending machine meet accepted nutritional guidelines.
CalPERS Position: None.
- 2006 SB 522 (Torlakson) – Required each vendor that operates or maintains a vending machine on designated state property to satisfy a specified phased-in requirement that at least 25 percent of the food and beverages offered in the vending machine meet accepted nutritional guidelines, as defined, by December 31, 2006, and 50 percent by December 31, 2007, or under specified conditions, by December 31, 2009. Would have required users, upon request, be provided information about the nutritional value of food and beverages offered in the vending machine and procedures for requesting a change in vending machine offerings.
CalPERS Position: None.
- 2004 SB 74 (Torlakson) – Required each vendor that operates or maintains a vending machine on designated state property to satisfy the requirement that at least 50 percent of the food and beverages offered in the vending machine meet accepted nutritional guidelines.
CalPERS Position: None.
