Bill Number/Author

AB 1052 (Cooley) Introduced: 2/26/2015

Board Position: Co-Sponsor

Pension System Investment Contracting Procedures. Permits the California State Teachers' Retirement System (CalSTRS) and the California Public Employees' Retirement System (CalPERS) to enter into investment-related contracts without following the provisions of state contracting law. Specifically, it allows the CalSTRS Board to enter into contracts related to the investment of fund assets, or contract with investment managers, utilizing any process it deems necessary and consistent with its fiduciary duties. It also allows the CalPERS Board of Administration to enter into contracts for investment custodian services, or contracts to invest or manage fund assets under terms, conditions and processes it deems necessary and consistent with its fiduciary duties.

B – Other Bills

Bill Number/Author

AB 103 (Weber) Introduced: 1/9/2015

2014-15 Budget Act. Makes appropriations for support of state government for the 2015-16 fiscal year. Among other things, it adds a Medicare Supplement policy report detailing efforts to convert age 65 retirees from Basic plans to Medicare plans and related costs and benefits of improving those conversions. It also modifies an existing CalPERS reporting requirement to include a more detailed reconciliation of premium changes when the Board of Administration adopts new health rates. As a budget bill, it takes effect immediately.

Location: 1/26/2015-Assembly Budget Committee

AB 241 (Gordon) Introduced: 2/5/2015

Municipal Bankruptcy: Retiree Names and Addresses. Requires a local public entity that has either initiated a neutral evaluation process or declared a fiscal emergency as required by state law prior to filing for municipal bankruptcy, or has filed for municipal bankruptcy, to provide the names and mailing addresses of its retired employees and their beneficiaries to any non-profit organization established for the purpose of representing the retired employees of that local public entity, upon request. It limits an organization's use of that information to the purpose of representing the retired employees and their beneficiaries as a member of the organization as an interested party in these proceedings, and includes unspecified penalties for a violation of this limitation.

Location: 2/17/2015-Assembly Local Government Committee

AB 339 (Gordon) Introduced: 2/13/2015

Health Care Coverage: Outpatient Prescription Drugs. Among other things, requires specified health plan contracts and insurance policies offered, renewed, or amended after January 1, 2016 that provide coverage for outpatient prescription drugs, to provide coverage for medically necessary prescription drugs, including those that do not have a therapeutic equivalent. It also requires copayments, coinsurance, and other cost sharing for these drugs to be reasonable so as to allow access, and prohibits placement of most or all medications that treat a specific condition on the highest cost tier of a formulary, unless another therapeutic equivalent is available on a lower cost tier.

Bill Number/Author

AB 374 (Nazarian) Amended: 3/2/2015

Health Care Coverage: Prescription Drugs. Prohibits a health care service plan or health insurer from applying a step therapy or fail-first protocol requirement to a patient who has made a step therapy override determination request if, in the professional judgment of the prescribing physician, the requirement would be medically inappropriate for that patient for specified reasons.

Location: 3/3/2015-Assembly Health Committee

AB 537 (Allen, Travis) Introduced: 2/23/2015

Postemployment Health Care Benefits: Prefunding Strategy. Prohibits any public agency, including the state, and any public employee or employee group from entering into a memorandum of understanding (MOU) that provides for postemployment health care benefits unless the MOU includes a strategy for permanently prefunding the benefits. The bill allows the provisions of an existing MOU to remain in effect until its expiration, but requires subsequent MOUs to comply with this requirement.

AB 714 (Melendez) Introduced: 2/25/2015

PEMHCA Opt Out for State Employees. Allows an employee of the state to elect not to enroll in a health benefit plan approved or maintained by the CalPERS Board of Administration, and instead be paid the contribution that the state would have made toward the cost of health benefits for the employee and his or her eligible dependents.

Location: 2/25/2015-Assembly Print

AB 843 (Hadley) Introduced: 2/26/2015

Public Employees' Retirement System: Public Information. States the intent of the Legislature to enact legislation that improves the methods by which CalPERS delivers information to the public, that more fully reflects the information practices of the System, and that provides for the delivery of information that better satisfies the public's need to understand its operations.

AB 868 (Obernolte) Introduced: 2/26/2015

Transfer of Public Safety Functions: Membership Transfer to County System. Allows a CalPERS contracting agency that transfers its firefighting or law enforcement functions to a county, fire authority, or district that participates in the San Bernardino County Employees' Retirement Association, to transfer all assets and liabilities associated with the service credit earned by any transferred employees to that retirement system. It also requires any transferred employees to become members of that retirement system, and to have any CalPERS service credit earned under their former employer become service credit in their new retirement system without payment of additional contributions, as specified. This authority currently exists for CalPERS contracting agencies that transfer such safety functions to employers that participate in the Kern County Employees' Retirement Association, Los Angeles County Employees' Retirement Association, or the Orange County Employees' Retirement System.

AB 1031 (Thurmond) Introduced: 2/26/2015

PEMHCA: Contracting Agencies. Specifies that a contracting agency that has elected to be subject to the Public Employees Medical and Hospital Care Act (PEMHCA) is required to fulfill its employer contribution obligations for health benefits, including reimbursement for Medicare Part B premiums, as mutually agreed upon through collective bargaining or as required by statute.

Location: 2/26/2015-Assembly Print

AB 1109 (Wilk) Introduced: 2/27/2015

Legislators' Health Benefits. Limits the availability of employer-subsidized health benefit plans for state legislators elected or serving in office on or after January 1, 2016, to those plans offered through the California Health Benefit Exchange, otherwise known as Covered California. It also limits the employer reimbursement for legislators' cost of health care coverage to the contribution amounts in effect on December 31, 2015. Currently, state legislators are eligible to enroll in the CalPERS health benefit plans.

Location: 2/27/2015-Assembly Print

AB 1190 (Cooley) Introduced: 2/27/2015

CalPERS Board of Administration: Certification of Election Results. Allows an entity designated by the Secretary of State to certify the CalPERS Board election results. Currently, only the Secretary of State may certify the election results.

AB 1410 (Nazarian) Introduced: 2/27/2015

Divestment from Turkish Investment Vehicles. Prohibits CalPERS and CalSTRS from investing retirement funds in any investment vehicle owned, controlled, managed, or issued by the government of Turkey, as defined. Specifically, it requires the governing Board of each respective System to identify portfolio assets subject to engagement and divestment by June 30, 2016, to transfer or sell any assets within specific timeframes, and report to the Legislature regarding its actions.

Location: 2/27/2015-Assembly Print

SB 26 (Hernandez) Introduced: 12/1/2014

Statewide Health Care Cost and Quality Database. Among other things, this bill would create the California Health Care Cost and Quality Database (CQDB) to receive and report information from all types of health care entities to facilitate comparisons of cost, quality, and satisfaction across payers, provider organizations, and other suppliers of health care services. The bill would also require the Secretary of California Health and Human Services Agency to contract with one or more independent, nonprofit organizations to administer the CQDB. It would require health plans and insurers, suppliers, and providers to provide utilization data and pricing information to the CQDB, which would then post the information on a publicly available web-based, searchable database.

SB 190 (Beall) Introduced: 2/10/2015

Health Care Coverage: Acquired Brain Injury. Among other things, requires health plan contracts and insurance policies offered, renewed, or amended on or after January 1, 2016, to provide coverage for post-acute residential transitional rehabilitation services made necessary as a result of, and related to, an acquired brain injury. It also requires coverage for these services not be included in any lifetime limits on the number of days of covered acute care treatment.

Location: 2/19/2015-Senate Health Committee

SB 546 (Leno) Introduced: 2/26/2015

Large Group Health Plan Market: Data Disclosure. Among other things, requires a large group health care service plan or health insurer to file specified rate information in filings to the Department of Managed Health Care (DMHC) or Department of Insurance (DOI) at least 60 days prior to implementing any rate change if any of the following conditions apply: a) the rate change is equal to or greater than the average rate increase for individual market products approved by the California Health Benefits Exchange; b) the rate change is equal to or greater than the average rate increase approved by the CalPERS Board for the subsequent year; c) the rate change would cause the large group purchaser to incur the excise tax; d) at the request of the large group purchaser. The bill also requires a health plan or health insurer to file all required rate information with DMHC or DOI for rate changes aggregated for the entire large group market on or before October 1, 2016, and on or before October 1, annually thereafter, and to disclose the aggregate data for all products sold in the large group market for all rate filings submitted under these provisions on an annual basis.

RN 1503170: Health Benefit Administration

Among other things, the bill would:

- Require the Board of Administration (Board) to add one or more high deductible health plan options, provide a low-cost Medicare supplemental health plan, and exempt these plans from risk adjustment.
 - Require CalPERS to verify dependent eligibility for state annuitants before enrolling a dependent into a health plan, maintain the verifying documentation on file, and substantiate eligibility at least every three years. State agencies would be required to verify the dependent eligibility for active employees.
 - Prohibit the Board from granting any further exemptions after January 1, 2015 to the rule against enrolling employees, annuitants, and their family members who are eligible for Medicare in a basic health benefit plan.
 - Add the Department of Finance as an entity allowed to receive hospital claims data.
 - Delete an existing reporting provision and instead, require the Board to report to the Legislature each April 1st, more detailed information regarding its health benefit plans.
 - Eliminate the requirement that contracting agency contribute to the Public Employees' Contingency Reserve Fund for each of its employees and annuitants the same amount as the state.
 - Prohibit the use of funds in the Annuitant Health Care Coverage Fund for the payment of benefits for state annuitants and dependents until the earlier of: (1) the date the funded ratio of a designated subaccount reaches at least 100 percent as determined in that employer's postemployment benefits actuarial valuation and then only for the purpose of paying benefits for state annuitants and dependents associated with that subaccount; (2) July 1, 2046.
 - Declare equal sharing of normal cost between public employers and public employees to be the standard for prefunding postemployment health care benefits and specify that the state intends to pursue this standard through collective bargaining with its employee bargaining units.
