Hello Neil,

My name is Lolita Lueras with CalPERS Compensation and Employer Review and I am in need of your assistance. I am currently reviewing the payroll reported on behalf of Fire Captain Richard Lewis and have a few questions.

His current salary of \$9037 matches the database you have on your website, I notice the year prior his payrate was slightly high at \$9075, can you please provide me with the pay schedule for this payrate?

Also, which MOU is the position of Fire Captain under, Fire Management or Fire Safety?
Could you please provide me with the MO language for educational incentive, value of EPMC, uniform allowance and temporary upgrade pay.

Lastly, what position was Mr. Lewis filling to receive the temporary upgrade benefit and how long has he been receiving this benefit?

If you have any questions or need clarification please contact me via e-mail or at the number below.
Thank you for your assistance and cooperation.

Lolita Lueras
