Dear Ms. DeFrank:

I am writing on behalf of retired member Christine Londo in response to the letter from Tomi Jimenez to her dated November 26, 2013, wherein Ms. Jimenez asserts that "CalPERS identified compensation that does not comply with the California Public Employees Retirement Law (PERL)." Please regard this letter as a formal written appeal of the decision contained in Ms. Jimenez's letter pursuant to California Government Code Section 20134 and Section 555.1 of the California Code of Regulations.

In particular, Ms. Londo denies the essential facts set forth in support of Ms. Jimenez's decision and asserts, in part, that Ms. Jimenez relied upon a provision in the California Code of Regulations (Section 570.5) that was not enacted until well after the time the income in question was earned. Therefore, it has absolutely no application to this situation.

Your prompt attention to this matter will be sincerely appreciated by Ms. Londo and me. Please direct all future communications to both her and me, and please feel free to contact me if you have any questions or desire additional information.

Sincerely,

SILVER, HADDEN, SILVER, WEXLER & LEVINE
