Dear Ms DeFrank

With respect to a letter written on behalf of retired member Christine Londo by her counsel, in response to a letter dated November 26 2013, which asserts that "CalPERS identified compensation that does not comply with the California Public Employees Retirement Law (PERL) , and that it is a formal written appeal of that decision this letter is to establish that the City of Walnut joins in the appeal Reliance upon a provision in the California Code of Regulations (Section 570 5) that was not enacted until well after the time the income in question was earned, should be reversed

Please feel free to contact me if you have any question about the City's position

Very truly yours

  
MICHAEL B MONTGOMERY
