### **PROCEDURAL SUMMARY**

Respondent Lopez submitted an application for service pending disability retirement based on an orthopedic (bilateral wrists/hands) condition, requesting a retirement date of February 1, 2012. Along with her application, Respondent Lopez submitted a handwritten letter requesting that she be granted disability retirement retroactively to February 11, 2006. CalPERS granted the application for disability retirement, but denied the application for earlier effective retirement date. Respondent Lopez appealed this determination and the matter was heard by the Office of Administrative Hearings on October 27, 2015. A Proposed Decision was issued on November 12, 2015, granting the application for earlier effective retirement date.
