Re: CHARLES L BERGSON, CalPers no. Military Service Credit
No. 2015-0308, Petition for Reconsideration, Written Argument

Dear Board of Directors,

My request is for sufficient time to obtain financing to purchase Military Service Credit.

The purchase amount is very large and CalPers only allowed 60 days to obtain this amount. The option to use CalPers financing is too expensive.

Obtaining financing for this large sum can be obtained at a reasonable rate in a reasonable timeframe, which is my request.

Your consideration is appreciated. I can be reached at

Respectfully,

CHARLES BERGSON
