

**California Public Employees' Retirement System
Investment Policy for
Real Assets (RA) Program**

Effective Date **August 15, 2016**

This policy is effective immediately upon adoption and supersedes all previous real assets policies.

Introduction

The California Public Employees' Retirement System (CalPERS) Total Fund Investment Policy, adopted by the CalPERS Investment Committee (Committee), sets forth the CalPERS investment beliefs and overarching investment purposes and objectives with respect to its investment programs. The CalPERS Total Fund Investment Policy specifically covers key areas of investment strategy, including performance objectives, asset allocation strategies, benchmark selection, investment risk management, and derivatives, leverage, and divestment policies, among other elements that are applicable to all asset classes and programs at CalPERS.

This document sets forth the investment policy (Policy) for the Real Assets Program (Program). The design of this Policy ensures that staff, investors, managers, consultants, and other participants selected by CalPERS take prudent and careful action while managing the Program. Additionally, use of this Policy assures sufficient flexibility in managing investment risks and returns associated with this Program.

This Policy should be read in conjunction with and is subject to conditions contained within the CalPERS [Total Fund Investment Policy](#). Staff shall manage this Policy in compliance with all applicable Investment Office policies.

Strategic Objective and Role

The Program's strategic objective is to provide stable and predictable cash yield, diversification of equity risk, and inflation protection.

Benchmark

The benchmarks for the Program are specified in the Benchmarks section of the Total Fund Investment Policy.

Responsibilities

Details regarding various levels of responsibility for this Program are provided in Appendix 1, Reporting to the Investment Committee, and Appendix 2, Investment Responsibilities.

**California Public Employees' Retirement System
Investment Policy for
Real Assets (RA) Program**

**Investment
Approaches &
Parameters**

1. Real Assets Program Allocations
Program allocation targets and ranges are listed in the Total Fund Investment Policy, Appendix 4.

 2. Diversification and Limits
To mitigate risk, staff shall maintain an appropriate level of diversification within the Program. Staff shall monitor the Program for adherence to the key policy parameters specified in Appendix 3 to this Policy (Key Policy Parameters), inclusive of all risk classifications, geographic guidelines, and leverage characteristics. Ranges will be based on current net assets at fair market value.

 3. Infrastructure Parameters
The Key Policy Parameters pertaining to risk and geographic segments will apply to the Program's infrastructure portfolio only when the NAV for that portfolio exceeds \$5.0 billion.
-

**Investment
Constraints/
Limitations**

See Appendix 3 for program investment constraints.

**Glossary of
CalPERS
Specific
Terms**

Italicized terms appearing in the Policy are "CalPERS specific" in nature and are defined in the [CalPERS Specific Glossary of Terms](#).

**Policy
Document
History**

See Appendix 4 for historical details of the Committee's adoption of, and subsequent revisions to, this Policy.

California Public Employees' Retirement System
Real Assets (RA) Program Policy Appendices

See the [Total Fund Investment Policy](#) appendices for overarching reporting requirements and responsibilities for the Investment Committee, staff, **General Pension Consultant, and Private Asset Class Board Investment Consultant.**

<p>Appendix 1 Reporting to the Investment Committee</p>

The following tables provide details regarding reporting to the Investment Committee:

- Investment Office staff
- General Pension Consultant

Investment Office Staff	
Report Content	Frequency
1. Staff shall provide an Annual Program Review that will include a program overview, investment review, and business review in general conformance with the Annual Program Review Template.	No less than annually
2. Staff shall report concerns, problems, material changes, and all violations of the Policy. These reports shall include explanations of any violations and appropriate recommendations for corrective action.	At the next Committee meeting, or sooner if deemed necessary
3. Staff shall maintain a Strategic Plan approved by the Committee setting forth CalPERS' long-term objectives for investment and management of the Program. Changes to the Strategic Plan require Committee approval.	At a minimum every five years

General Pension Consultant	
Report Content	Frequency
1. The Consultant shall monitor, evaluate, and report on the performance of the Program relative to the benchmarks and this Policy and other applicable CalPERS policies.	No less than annually

Real Assets (RA) Program Policy Appendices

**Appendix 2
Investment Responsibilities**

The following tables provide details regarding investment related responsibilities for the:

- Investment Office staff
- General Pension Consultant
- Private Asset Class Board Investment Consultants
- Managers/Partners

As used in this Policy, the term “manager” refers to third-party managers under the Program, and the term “partner” includes managing members of LLCs.

Investment Office Staff Responsibilities
1. All aspects of portfolio management including monitoring, trading, analyzing, evaluating performance relative to the appropriate benchmark, and selecting and contracting with managers/partners consistent with all applicable policies and procedures.
2. Develop and maintain investment procedures, program guidelines, and sub-program guidelines.
3. Screen and evaluate investment proposals consistent with the Program’s constraints and limitations in Appendix 3 and applicable investment policies and procedures.
4. Execute approved investment transactions, including negotiating investment agreements, performing initial and ongoing due diligence, and closing transactions.

General Pension Consultant Responsibilities
1. Provide independent perspective and counsel to the Committee, to include routine communication with the Investment Office staff and periodic reviews of processes and procedures.

Private Asset Class Board Investment Consultants Responsibilities
1. The responsibilities of the board consultants for each portfolio (real estate, infrastructure, and forestland), who report directly to the Committee, are specified in the “Private Asset Class Board Investment Consultants” section of, and the reporting and responsibility appendices to, the Total Fund Investment Policy.

Manager/Partner Responsibilities
1. Manage its allocated portion of the Program in accordance with (a) each manager/partner’s contract or partnership/operating agreement with CalPERS and (b) applicable policies.
2. Communicate and cooperate with Investment Office staff and authorized third parties regarding the management of its allocated portion of the Program.

**Appendix 3
Investment Constraints/Limitations**

Staff Authority Limits¹
Net Asset Value (NAV) in billions

	Real Estate		Infrastructure		Forestland	
	Investments	Dispositions	Investments	Dispositions	Investments	Dispositions
The Managing Investment Director (MID) and Chief Investment Officer (CIO) limits apply to a partner relationship per commitment or a direct transaction.						
Managing Investment Director	\$3	\$3	\$1	\$1	\$1	\$1
Chief Investment Officer	\$6	\$6	\$2	\$2	\$2	\$2
Fiscal Year Limit applies to cumulative partner relationship commitments and direct transactions.						
Fiscal Year Limit	\$10	\$10	\$3	\$3	\$3	\$3

¹All limits include additional commitments made for investments in existing assets and for debt paydowns. All borrowings of leverage are excluded.

Key Policy Parameters

1. Partner Relationship Exposure
The maximum Partner Relationship Exposure for the Program is 20%. For purposes of this Appendix 3,
 - a. "Partner Relationship Exposure" means, with reference to any given Partner Relationship, the ratio of (a) the NAV of assets under management with such Partner Relationship, plus total unfunded commitments, to (b) the total NAV of the Program plus total unfunded commitments; and
 - b. "Partner Relationship" means, collectively, the total investment allocation with any one manager or partner, or, in cases where the Program has investments with multiple members of an affiliated group of managers and/or partners, the investment allocation with that affiliated group.

California Public Employees' Retirement System
Real Assets (RA) Program Policy Appendices

2. Risk Classifications

The Program will be divided into three risk classifications: core, value add, and opportunistic. Individual assets will be assigned to the appropriate risk classification. The permitted NAV ranges for each classification within the Program and each portfolio are as follows:

Classification	Real Assets	Real Estate	Infrastructure	Forestland
Core	75-100%	75-100%	60-100%	75-100%
Value Add	0-25%	0-25%	0-25%	0-25%
Opportunistic*	0-25%	0-25%	0-25%	0-25%

*Development or build-to-core assets within the opportunistic risk classification will have a limit of 10% of the Program and each Portfolio.

3. Geography

Staff will pursue a global real assets investment strategy, with emphasis in the United States. The following NAV ranges will apply across the Program and each portfolio:

Region	Real Assets	Real Estate	Infrastructure	Forestland
United States	70-100%	75-100%	50-100%	50-100%
International Developed Markets	0-30%	0-25%	0-50%	0-50%
International Emerging Markets	0-15%	0-15%	0-15%	0-15%
International Frontier Markets	0-5%	0-5%	0-5%	0-5%

International markets are defined as developed, emerging, and frontier, based on the FTSE Global Equity Index series. In addition, staff, with input from its external consultants, shall monitor concentrations by region, country, and metropolitan area.

4. Public Securities

Public securities will not exceed 10% of the Program.

5. Leverage

Leverage limits are imposed at both the Program and the portfolio level. Leverage limitations shall be measured on a loan-to-value (LTV) ratio and debt service coverage ratio (DSCR) basis.

Leverage	Real Assets	Real Estate	Infrastructure	Forestland
LTV	55%	50%	65%	40%
DSCR (minimum)				
Total	1.40	1.50	1.25	1.25
Core	N/A	2.00	N/A	N/A
