

Global Governance - Environmental, Social, and Governance (ESG) Strategy

Summary of Discussion

The purpose of this session is to receive final guidance on the Global Governance 3-5 Year Strategic Plan, including revised Key Performance Indicators (KPIs), and to review the key partnerships that will assist in accomplishing this work. This session is the penultimate meeting in the eight-month process to complete a Global Governance ESG Strategy.

The goal outcomes for this session:

1. Review Global Governance 3-5 Year Strategic Plan
2. Discuss and finalize the KPIs for the 6 strategic initiatives; and
3. Discuss the key partnerships to be leveraged in order to achieve the key objectives.

The material for this session include:

- PowerPoint Presentation
-
