| Notes | The amendment for this fund is to extend the term of the agreement. The original investment agreement was executed prior to the formal adoption of the Placement Agent regulation, in which cases, staff obtains a new Placement Agent disclosure and ensures the appropriate Placement Agent contractual provisions are contained within the amendment to the investment agreement. The information disclosed above is in regards to the original investment transaction in 2009. This fund is no longer utilizing a placement agent or paying a fee to the agent for services. Since the initial investment was executed prior to the Placement Agent regulation and prior to amendments to the Political Reform Act of 1974 defining Placement Agents as lobbyists, disclosure of campaign contributions and lobbyist registration were not obtained at the time of the initial investment. |
