Strategic Plan

This item is not a specific product of either the Strategic or Annual Plans. The determination of administrative appeals is a power reserved to the Board of Administration.

Procedural Summary

Respondent Walls submitted an application for disability retirement based on an orthopedic (left wrist) condition. CalPERS approved the application and Respondent Walls retired for disability on November 9, 2012. On August 7, 2014, CalPERS informed Respondent Walls of its determination that she was no longer incapacitated from the performance of her duties, and would be reinstated to her position with Respondent Department of Health Care Services. Respondent Walls appealed this determination and the matter was scheduled for a hearing before the Office of Administrative Hearings. Prior to the hearing, CalPERS learned that Respondent Walls was precluded from continuing to receive disability retirement benefits because Respondent Walls had been dismissed from her employment for reasons that were not the result of a disabling medical condition pursuant to *Haywood v. American River Fire Protection District*. The matter was heard by the Office of Administrative Hearings on October 17, 2016. A Proposed Decision was issued on October 31, 2016, granting Respondent Walls' appeal.
