Procedural Summary

Respondent Brooks submitted an application for Industrial Disability Retirement (IDR) based on an orthopedic (right wrist) condition. CalPERS approved the application and Respondent Brooks has remained on IDR since. On September 3, 2014, Respondent Brooks was notified that CalPERS was reviewing her disability retirement status. A board-certified orthopedic surgeon, conducted an Independent Medical Examination (IME) of Respondent Brooks and determined that she was no longer substantially incapacitated from performance of her duties as a Correctional Officer. Based on this report, CalPERS determined that Respondent Brooks is no longer eligible for IDR. Respondent Brooks appealed this determination and the matter was heard by the Office of Administrative Hearings on October 25, 2016. A Proposed Decision was issued on November 9, 2016, denying the appeal.
