Dear Mr. Niehaus:

The Judges Retirement Manual suggests that a judge about to qualify to receive retirement benefits contact your office to so advise them shortly before the qualifying date. The purpose of this letter is to advise you that I will reach my Sixty-third birthday on [REDACTED]. My benefits should begin at that time.

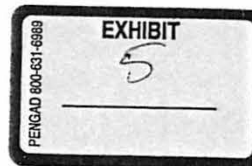

I also want to again call your attention to the problem of the proper calculation of my retirement benefits. I am a fully vested Judge pursuant to Olson v. Cory. As such, my retirement benefits must be calculated in accordance with the law as it existed at the time I began my last term (having retired in the middle of the term), which was January, 1975.

I am enclosing three letters that I previously have addressed to you in regard to this calculation.

Thank you for your help and cooperation.

Very truly yours,

Paul G. Mast
