Strategic Plan

This item is not a specific product of either the Strategic or Annual Plans. The determination of administrative appeals is a power reserved to the Board of Administration.

Procedural Summary

Respondent Alamilla submitted an application for Industrial Disability Retirement based on orthopedic (back, neck, right shoulder, right wrist, right ankle, and head) conditions. CalPERS canceled the application for Industrial Disability Retirement because Respondent Alamilla had been dismissed from his employment for reasons which were not the results of a disabling medical condition pursuant to *Haywood v. American River Fire Protection District*. Respondent Alamilla appealed this determination and the matter was heard by the Office of Administrative Hearings on November 22, 2016. A Proposed Decision was issued on December 21, 2016, denying the application.
