Strategic Plan

This item is not a specific product of either the Strategic or Annual Plans. The determination of administrative appeals is a power reserved to the Board of Administration.

Procedural Summary

Respondent Morrison submitted an application for disability retirement based on orthopedic right hip and lower back conditions. CalPERS cancelled the application for disability retirement because Respondent Morrison had been dismissed from his employment for reasons which were not the result of a disabling medical condition pursuant to *Haywood v. American River Fire Protection District* and its progeny. Respondent Morrison appealed this determination and the matter was heard by the Office of Administrative Hearings on November 22, 2016. A Proposed Decision was issued on December 21, 2016, denying the application for disability retirement.
