

Board Governance Committee Agenda Item 6

March 13, 2017

Item Name: Proposed Revision to Public Comment Form

Program: Board Governance

Item Type: Action

At the December 2016 Board Governance Committee meeting, the Committee held a hearing on the Public Comment Regulation and approved staff's recommendation to submit the regulation to the Office of Administrative Law. During the Committee's discussion of the regulation, a Committee member requested that the form CalPERS uses for requests to speak be revised so that speakers could request additional time for public comment. Attachment 1 is a copy of the form that is currently in use. Attachment 2 contains staff's proposed revisions to the form to address this request. If approved, Attachment 2 would be converted to appear like Attachment 1.
