

Health Beliefs

Summary of Discussion The purpose of this session is to provide a status update and lay out the path forward for developing CalPERS Health Care Beliefs, which will serve as a guide for the Health Policy and Benefits Branch in making informed decisions for the strategic management of the CalPERS Health Benefits Program.

The session will focus on the importance of Health Care Beliefs for the CalPERS Health Benefits program and anticipated outcomes. The Board will be presented with the methodology used to solicit feedback from various CalPERS stakeholders, as well as the results of those efforts.

The Board will also be engaged in a discussion to provide feedback and input on draft Health Care Beliefs, and be provided an update on the timeline and next steps.

The materials for this session includes:

- PowerPoint Presentation
- Handout
