## EPR First Quarter Report: Business Plan Initiatives Summary Dashboard

The CalPERS 2017-18 Business Plan encompasses 37 Business Plan Initiatives (Initiatives) that assist us towards achieving our strategic goals and objectives. The Business Plan Initiatives Summary Dashboard provides a brief synopsis of how all 37 Initiatives are performing for the first quarter (July 1, 2017 – September 30, 2017). Additional performance details can be found on the summary sheets for each Initiative.

First Quarter Initiative Performance:

- 34 On-Target (Green)
- 2 At-Risk (Yellow)
- 1 Presented in Closed Session

The two initiatives which are At-Risk are listed below along with the root cause of each.

Business Plan Initiative	Root Cause
Alignment of Asset Liability Management	Four tactics had aggressive target dates.
Investment Beliefs and ESG Risk Integration	One of the tactics had an aggressive target date.

As of November 2017, both initiatives are back on On-Target.

### Progress Status Criteria for Business Plan Initiatives:

Progress on Business Plans initiatives is based on deliverables, tactics, and risks. The status criteria are listed below:

**On-Target (Green):**

- All deliverables and tactics will be completed by the due dates
- No risks have materialized
- Initiative will be completed by the established end date

**At-Risk (Yellow):**

- One or more tactics may not be completed by the due date – no impact to the deliverable due date
- Risks become issues and are being mitigated
- Initiative will be completed by the established end date

**Off-Target (Red):**

- Critical tactics have yellow indicators – deliverable will not be completed by the due date
- Issues cannot be mitigated
- Initiative may not be completed by the established due date

## FUND SUSTAINABILITY

Strengthen the long-term sustainability of the pension fund

<b>Objective</b>	Fund the system through an integrated view of pension assets and liabilities		
<b>Initiative Title:</b>	Alignment of Asset Liability Management	<b>Owner:</b>	Charles Asubonten
<b>Description:</b>	Incorporate elements of funding risk from both an asset and liability perspective to ensure the sustainability of the fund	<b>Start Date:</b>	July 2017
		<b>End Date:</b>	June 2018
<b>Intent:</b>	To provide an integrated view of pension assets and liabilities and actively assess and manage funding risk through the Asset Liability Management (ALM) framework in order to strengthen the long-term sustainability of the pension fund.		

### Deliverables with due dates (Month YYYY):

- Prepare and conduct ALM Workshop. (November 2017)
- Develop and implement an Annual Stakeholder Relations Update to share information on current risks and mitigation strategies with stakeholders. (December 2017)
- Present the experience study results and actuarial assumptions to the Board. (December 2017)
- Implement Strategic Asset Allocation Targets. (July 2018)

### Initiative Risk(s):

None identified at this time.

### Mitigations:

### Root Cause (if At Risk or Off Track):

The September due date for the following tactics were an aggressive target date which led to the yellow indicator:

- ACTO evaluates Impact of each relevant Potential Portfolio on Key Risk Considerations and Discount Rate
- Estimate projected cash flows for PERF for each potential portfolio
- Evaluate and confirm candidate portfolios for ALM Workshop
- Incorporate experience study findings into PERF cash flow projections

## 2017-22 Strategic Plan | Business Plan Initiative Summary

As the ALM Cycle progressed it was decided that incorporating the Experience Study findings into the PERF cash flow projections should be integrated into to the ALM Workshop timeline in November. The four tactics are all required for the November Board Workshop and will be reflected as completed for the next reporting period. More than one tactic was not completed by the due date, however the deliverables are still on track to be completed on time.

## FUND SUSTAINABILITY

Strengthen the long-term sustainability of the pension fund

<b>Objective</b>	Fund the system through an integrated view of pension assets and liabilities		
<b>Initiative Title:</b>	Redesign and Enhance the Actuarial Valuation System	<b>Owner:</b>	Scott Terando
<b>Description:</b>	Redesign and enhance the Actuarial Valuation System to increase capabilities, streamline processes, and create a more flexible and scalable valuation system	<b>Start Date:</b>	July 2016
		<b>End Date:</b>	October 2018
<b>Intent:</b>	To deliver a flexible and scalable solution that supports the business operation of the Actuarial Office (ACTO) in ensuring the ability for CalPERS to support strategic objectives, business goals, and meet its pension obligations. The existing system presents challenges in terms of support, functionality, and flexibility. The replacement system will address each of these concerns. The future solution will be developed and supported by CalPERS staff and will include improved valuation processing times and added functionality.		

### Deliverables with due dates (Month YYYY):

- Establish Development and Test Environments. (December 2017)
- Establish the User Interface, which allows staff to interact with all system functionality. (December 2017)
- Establish the Actuarial Valuation System redesign and enhance the core to calculate and produce employer valuations. (October 2018)

### Initiative Risk(s):

Resources 1: If ACTO subject matter experts are not reassigned to focus on the project, then project activities may be delayed, causing impacts to the project budget and schedule.

Resources 2: If IT resources are not available to develop the new application, modify the extract and convert data, then project activities may be delayed, causing impacts to the project budget and schedule.

## 2017-22 Strategic Plan | Business Plan Initiative Summary

**Environment:** If database structures between Actuarial Valuation System Redesign (AVSRE) and my|CalPERS are not realigned, numerous manual interventions will continue to be required, impacting staff workload and process efficiency.

**Mitigations:**

Resources 1:

- Look at hiring consultants to backfill staff needed to participate on the project.
- Coordinate ACTO staff scheduling to ensure that appropriate staff is available when necessary.

Resources 2:

- Identify additional IT resources via temporary loans for specific activities.
- Hire consultant resources for activities specific to the development of the application, to modify the extract process, and handle the data conversion.

**Environment:**

- Work with my|CalPERS staff to improve the extract process and deliver cleaner data to the AVSRE system.
- Align the AVSRE data model with the myCalPERS data model wherever possible.
- Leverage the Functional Optimization Project to upgrade the my|CalPERS system.

Transform health care purchasing and delivery to achieve affordability

<b>Objective</b>	Restructure benefit design to promote high-value health care		
<b>Initiative Title:</b>	Value-Based Insurance Design: Feasibility	<b>Owner:</b>	Liana Bailey-Crimmins
<b>Description:</b>	Research and develop health benefit design strategies to improve member health, and value of care, while decreasing costs in Preferred Provider Organization (PPO) plans.	<b>Start Date:</b>	July 2017
		<b>End Date:</b>	June 2018
<b>Intent:</b>	This initiative is intended to contain the overall employer and employee health benefit premium increases by: promoting access to and use of higher value providers, treatments, and services; reducing use of low value care; and improving health outcomes for members over the long term.		

### Deliverables with due dates (Month YYYY):

- Develop definitions for high-value and low-value care to be presented to the Pension & Health Benefits Committee and used to design a VBID program. (December 2017)

## HEALTH CARE AFFORDABILITY

Transform health care purchasing and delivery to achieve affordability

<b>Objective</b>	Improve the health status of our employees, members, and their families, and the communities where they live		
<b>Initiative Title:</b>	Population Health Alignment with Let's Get Healthy California Taskforce Report Dashboard	<b>Owner:</b>	Liana Bailey- Crimmins
<b>Description:</b>	Provide employers with aggregate health care data to identify major health care costs and enhance Population Health Management	<b>Start Date:</b>	July 2017
		<b>End Date:</b>	June 2022
<b>Intent:</b>	Educate stakeholders about the Population Health of the CalPERS Health Program pool and work to align pertinent information with the Let's Get Healthy California dashboard. By identifying and focusing on specific population health indicators, we can improve the overall health status.		

**Deliverables with due dates (Month YYYY):**

- Population Health Management report exploring the Let's Get Healthy California dashboard and how it aligns with existing CalPERS strategies and programs. (June 2018)

## HEALTH CARE AFFORDABILITY

Transform health care purchasing and delivery to achieve affordability

<b>Objective</b>	Reduce the overuse of ineffective or unnecessary medical care		
<b>Initiative Title:</b>	Statewide Collaboration through Smart Care California	<b>Owner:</b>	Liana Bailey-Crimmins
<b>Description:</b>	Partner with Covered California and Department of Health Care Services through the Smart Care California coalition to promote safe, affordable care in the areas of opioid use, Cesarean sections, and spinal/back disorders	<b>Start Date:</b>	July 2017
		<b>End Date:</b>	June 2022
<b>Intent:</b>	This initiative is intended to reduce barriers to health care access and coordination of care which will improve health outcomes for members over the long term. By reducing use of low value services, this program will reduce health care expenditures for both members and the health plans.		

### Deliverables with due dates (Month YYYY):

- Collaborate with Smart Care California partners to develop strategies that prevent progression of acute Low Back Pain (LBP) to chronic pain and disability. (June 2018)
- Collaborate with health plan partners to implement LBP strategies among CalPERS health plans. (December 2018)

Transform health care purchasing and delivery to achieve affordability

<b>Objective</b>	Reduce the overuse of ineffective or unnecessary medical care		
<b>Initiative Title:</b>	Review and Update Shared Savings Accountable Care Organizations Cost and Quality Targets	<b>Owner:</b>	Liana Bailey-Crimmins
<b>Description:</b>	Research, analyze, and update shared savings cost and quality targets and expand the use of evidence-based medicine in improving outcomes while decreasing costs	<b>Start Date:</b>	July 2017
		<b>End Date:</b>	June 2022
<b>Intent:</b>	CalPERS health plan carriers contain several shared savings agreements with providers for which quality and total cost of care lacks assessment. Evaluation of these arrangements will improve understanding of alternative payment models in integrated health management systems.		

### Deliverables with due dates (Month YYYY):

- Integrated health management evaluation (IHM) framework report. (December 2017)
- Summary report of IHM patient experience survey data. (June 2018)

### Initiative Risk(s):

Surveys can yield low response rates. Historically, the CalPERS annual member survey has completion rates varying between 20 to 30% among the commercial plans. We anticipate similar response rates as the IHM member experience survey will be deployed in parallel with the annual member survey.

### Mitigations:

Our vendor, DSS Research, is a Center for Medicare Medicaid Services-approved Consumer Assessments for Healthcare Providers and Systems (CAHPS) for Accountable Care Organizations survey vendor. Nearly 20 years as an experienced major research supplier for CAHPS programs, they are well equipped to ensure the required contacts are made with the member for survey completion.

## REDUCE COMPLEXITY

Reduce complexity across the enterprise

<b>Objective</b>	Simplify programs to improve service and/or reduce cost		
<b>Initiative Title:</b>	CEM Complexity Score Reduction	<b>Owner:</b>	Donna Lum
<b>Description:</b>	Assess current complexity score and identify target areas of complexity reduction.	<b>Start Date:</b>	July 2017
		<b>End Date:</b>	June 2018
<b>Intent:</b>	To assess and identify opportunities to reduce complexity in our business processes in an effort to gain efficiency in the services we provide to our members and business partners and reduces our overall CEM Complexity Score.		

### Deliverables with due dates (Month YYYY):

- Report on recommendations for two to three targeted initiatives for reducing complexity. (October 2017)
- Implement consistent data collection and reporting methodology to ensure accurate responses to CEM's annual benchmarking survey. (June 2018)
- Complete legislative proposal development for targeted activities. (June 2018)
- Approval to initiate development of implementation plan for identified activities. (June 2018)

### Initiative Risk(s):

Successful completion of some deliverables relies on dependencies in business areas outside of Customer Services and Support (CSS). Resource or other constraints within a critical linkage area represents a risk to successful completion.

Deliverable 3 involves the completion of legislative proposals. The nature of the legislative proposal process presents a risk to successful completion, as proposals may be halted at multiple steps of the process due to a directive from executives or the Board. Changing political environments and stakeholder responses may also affect the progress of a legislative proposal.

## REDUCE COMPLEXITY

Reduce complexity across the enterprise

<b>Objective</b>	Simplify programs to improve service and/or reduce cost		
<b>Initiative Title:</b>	Customer Satisfaction – Actionable Feedback	<b>Owner:</b>	Donna Lum
<b>Description:</b>	Identify actionable feedback from customer satisfaction surveys and implement systems to monitor and facilitate reasonable improvements to enhance customer service.	<b>Start Date:</b>	July 2017
		<b>End Date:</b>	June 2018
<b>Intent:</b>	Implementing an actionable feedback process supports our commitment to improve customer satisfaction and enhance the customer experience. Developing a systematic approach to address customer feedback allows us to gain a greater understanding of the usefulness and effectiveness of our business processes as well as our customers' satisfaction with the services we provide. Taking action on satisfaction data through surveys allows us to utilize the full value of customer feedback and increases our flexibility and responsiveness to their needs.		

**Deliverables with due dates (Month YYYY):**

- Establish systems and processes to analyze actionable feedback for Customer Services and Support (CSS) program areas. (September 2017)
- Implement quarterly reports on actionable feedback trends and resolutions to CSS senior leadership. (March 2018)
- Develop a plan for ongoing governance process for CSS survey development and administration. (June 2018)

<b>Initiative Title:</b>	Improve Pension Benefit Payments Timeliness	<b>Owner:</b>	Donna Lum
<b>Description:</b>	Identify current issues impacting benefit payment timeliness and mitigate constraints to increase service levels more consistently toward the goal or accept the current level of service.	<b>Start Date:</b>	July 2017
		<b>End Date:</b>	June 2018
<b>Intent:</b>	Evaluate opportunities to further increase the timeliness of pension benefit payments to implement improvements or confirm the acceptability of performing within current service level agreements.		

### Deliverables with due dates (Month YYYY):

- Develop framework documentation for each pension benefit payment type analysis. (October 2017)
- Develop individual recommendations for the five pension benefit types. (March 2018)
- Develop a plan to increase performance in pension benefit payments or accept current service targets. (June 2018)

### Initiative Risk(s):

Resource constraints exist within some areas of the two divisions involved in this initiative. If a critical core workload need developed, project team members involved on production teams may be limited in their ability to participate actively on this initiative.

<b>Description:</b>	Enhance digital communications capabilities to support outreach and communication to members, employers, and other stakeholders	<b>Start Date:</b>	July 2016
		<b>End Date:</b>	June 2018
<b>Intent:</b>	The Digital Communications Strategic Plan is intended to modernize CalPERS communications and outreach to improve agility and maximize reach, response and reputation while increasing programmatic and operational efficiencies.		

### Deliverables with due dates (Month YYYY):

- Develop a prototype communications dashboard for business intelligence and customer relationship management integration, and benchmarks monitoring. (December 2017)
- Research and propose customer relationship management (CRM) capacity software, to deliver enhanced customer service. (June 2018)
- New communications products based upon the three products pilot, which may include moving prototypes into actual digital publications for members, employers and/or other intended audiences. (June 2018)
- Revisit Communications & Stakeholder Relations (CSR) FY2016-17 benchmarks and prepare a new, updated 2018 CSR benchmarks baseline. (June 2018)

### Initiative Risk(s):

1. New team members for continuing initiatives may require additional time to on-board and provide context for current state and future state decision-making and implementation tasks.

- Define and articulate a set of repeatable Data Management, Business Intelligence, and analytics-oriented set of services to be offered to CalPERS lines of business in a consistent, transparent, and predictable way. (December 2018)

**Initiative Risk(s):**

1. Executive sponsorship is critical to the success of commitment and participation for this initiative.
2. Executive sponsorship is critical to the success of top-down communication of Enterprise Data Management as a business-oriented capability.
3. The risk of losing the Business Plan Initiative Owner.

**Mitigations:**

Risk 1. Perform regular check-ins with Executive team for direction. Continue to monitor and track Data Management as an enterprise-level risk using the existing risk dashboard approach.

Risk 2. Create a Communication Plan and execution of the plan with direction from Executive team. Develop and execute a Training Plan to instill awareness of Enterprise Data Management across the organization.

## RISK MANAGEMENT

Cultivate a risk-intelligent organization

<b>Objective</b>	Enhance compliance and risk functions throughout the enterprise		
<b>Initiative Title:</b>	Increase Enterprise-Wide Risk Awareness	<b>Owner:</b>	Charles Asubonten
<b>Description:</b>	Develop enterprise-wide risk communication and training plans to increase risk awareness, and strengthen and expand risk capabilities	<b>Start Date:</b>	July 2017
		<b>End Date:</b>	June 2019
<b>Intent:</b>	To enhance and mature risk functions throughout the enterprise by developing and implementing communication and training programs intended to cultivate a more risk-intelligent organization in alignment with the Strategic Plan Risk Management goal.		

### Deliverables with due dates (Month YYYY):

- Initiate Enterprise Risk Training Plan, including modules for CalPERS' new employees and Internal Controls for the Compliance and Risk Liaisons. (December 2017)
- Using the stakeholder assessment survey, establish baseline to assess stakeholder awareness of CalPERS' risk programs. (June 2018)
- Create an Enterprise Risk Management Division (ERMD) Communication Plan to inform CalPERS team members on Enterprise Risk Management services, tools, and training. (June 2018)

### Initiative Risk(s):

Some of the potential risks are maturity and acceptance of Enterprise Risk Management (ERM) framework, changes to organizational governance as well as limited resources and competing priorities.

### Mitigations:

Enhance ERM framework, implement training and communication plan. Foster staff professional growth and development to maintain acceptable staffing levels and continue building positive relationships across the enterprise.

### Root Cause (if At Risk or Off Track):

N/A

### Associated Strategic Measure(s):

Risk & compliance program maturity assessment; Risk & compliance employee awareness survey

Cultivate a risk-intelligent organization

<b>Objective</b>	Enhance compliance and risk functions throughout the enterprise		
<b>Initiative Title:</b>	Increase Enterprise-Wide Compliance Awareness	<b>Owner:</b>	Marlene Timberlake D'Adamo
<b>Description:</b>	Develop compliance communication and training plans to increase awareness throughout the enterprise	<b>Start Date:</b>	July 2017
		<b>End Date:</b>	June 2019
<b>Intent:</b>	The purpose of the Enterprise Compliance Plan is to ensure that CalPERS strives to maintain compliance with the letter and spirit of all applicable laws, regulations and policies in partnership with program areas.		

### Deliverables with due dates (Month YYYY):

- Create and implement an internal compliance and ethics communication plan for FY 2017-18 to increase awareness of the compliance program throughout the enterprise. (June 2018)
- Create and implement an external compliance and ethics communication plan for FY 2017-18 to create awareness of CalPERS' compliance functions and programs among our members and stakeholders. (June 2018)
- Enhance compliance and ethics education by developing and implementing a compliance and ethics training plan for FY 2017-18 that combines web-based and instructor-led formats. (June 2018)

### Initiative Risk(s):

- Obtaining funding for web-based training.
- Unable to gain buy-in from other program areas for communications plans and training plan.

### Mitigations:

- Some intended web-based training may need to be conducted as instructor-led training.
- Roll out the strategy to governance committees in order to educate and gain buy-in from leadership.

<b>Objective</b>	Continue to evolve cyber security program		
<b>Initiative Title:</b>	Enterprise Business Continuity Plan, Phase II	<b>Owner:</b>	Doug Hoffner
<b>Description:</b>	Develop a comprehensive Enterprise Business Continuity Plan that identifies operational needs, business functions, procedures and applications needed for all business operations beginning 31-days post disaster through full resumption	<b>Start Date:</b>	July 2017
		<b>End Date:</b>	December 2018
<b>Intent:</b>	Design comprehensive and functional Business Continuity Plans to ensure that CalPERS is prepared to resume business operations post-disaster by identifying resources and system requirements to restore critical and non-critical business operations to reduce risk to the organization in an emergency.		

### Deliverables with due dates (Month YYYY):

- Business Continuity Consultant Onboarding (Familiarize consultant with previously completed plans and materials needed for critical business functions in the 30 day period post-disaster). (October 2017)
- Complete Phase II - update of all division Business Continuity Plans. (April 2018)
- Update ITSB Gap Analysis that identifies the gaps between the program areas' requests and Information Technology Services Branch's capabilities. (August 2018)
- Update Master Enterprise Business Continuity Plan, which will include the updated Enterprise Business Processes and Critical Systems spreadsheet, a calendar identifying the "time of year" sensitive processes, and Integrated Key Process Plans. (November 2018)
- Develop operational procedures in the event CalPERS' Headquarters is uninhabitable for longer than six months. (December 2018)

**Resources approved through the 2017-18 budget process:**

**\$250,000**

### Initiative Risk(s):

1. Program areas – missed deadlines and failure to identify all critical processes and/or applications.
2. Consultant – failure by consultant to provide deliverables by the deadlines.
3. OSSD staffing – Loss of key personnel in Emergency Management and Administrative Unit (EMAU).

# 2017-22 Strategic Plan | Business Plan Initiative Summary

**Mitigations:**

- 1. Work closely with the program areas to make sure their deliverables are met by the due dates. EMAU will provide orientation training for program area Business Continuity representatives to ensure they have the knowledge and resources to effectively update their plans.
- 2. Receive frequent progress reports to ensure consultants are on track to complete deliverables.
- 3. Facilitate knowledge transfer amongst EMAU staff.

<b>Objective</b>	Continue to evolve cyber security program		
<b>Initiative Title:</b>	Information Security Roadmap	<b>Owner:</b>	Doug Hoffner
<b>Description:</b>	Advance the cyber security strategy and roadmap to mitigate cyber security risks	<b>Start Date:</b>	July 2017
		<b>End Date:</b>	June 2022
<b>Intent:</b>	This initiative moves from the technology implementation focus of the 2011 Security Roadmap, which built our Defense in Depth foundation, to include people and processes. This initiative will build a 5-Year Security Roadmap, emphasizing processes and security awareness while increasing operational efficiency and leveraging the proper technology of our defense in depth foundation. This focus will increase our ability to respond to and identify new threats, increase awareness, and adopt adaptable processes.

## TALENT MANAGEMENT

Promote a high-performing and diverse workforce

<b>Objective</b>	Recruit and empower a broad range of talents to meet organization priorities		
<b>Initiative Title:</b>	Develop and Implement an Expanded Recruitment Strategy	<b>Owner:</b>	Doug Hoffner
<b>Description:</b>	Develop and implement a plan to increase the number of channels used to broadcast open positions	<b>Start Date:</b>	July 2017
		<b>End Date:</b>	June 2018
<b>Intent:</b>	Ensure that CalPERS' recruitment and outreach efforts maximize opportunities to connect with potential candidates.		

### Deliverables with due dates (Month YYYY):

- Develop a comprehensive recruitment strategy to engage veteran organizations and assist veteran applicants in the hiring process. (June 2018)
- Develop a comprehensive strategy to engage utilized LinkedIn capabilities to source qualified candidates. (June 2018)

### Initiative Risk(s):

1. Class Consolidation would impact Deliverable 1 because any current classifications identified matching veteran skill-sets may be impacted by CalHR's ongoing class consolidation project implementation.
2. Reduction in funding for LinkedIn Recruiter seats would impact Deliverable 2 with a diminished outreach, smaller pool of qualified candidates, and increased use of search firms for specialized positions.

### Mitigations:

1. Revise position matching to accommodate new classification structures.
2. Consolidate Recruiter seat efforts to accommodate reduced funding.

### Root Cause (if At Risk or Off Track):

N/A

### Associated Strategic Measure(s):

Increase diverse recruitment channels

## TALENT MANAGEMENT

Promote a high-performing and diverse workforce

<b>Objective</b>	Recruit and empower a broad range of talents to meet organization priorities		
<b>Initiative Title:</b>	Develop and Administer Team Member Engagement Surveys	<b>Owner:</b>	Doug Hoffner
<b>Description:</b>	Develop a plan and implement a new engagement survey(s) to continually improve our culture and preserve our reputation as a destination employer	<b>Start Date:</b>	July 2017
		<b>End Date:</b>	June 2018
<b>Intent:</b>	Preserve our culture and reputation as a destination employer by continually seeking to understand the level of engagement across the enterprise and respond accordingly.		

### Deliverables with due dates (Month YYYY):

- Develop a plan to administer a customized annual engagement survey, which includes pulse check mechanisms and a process to analyze outcomes. (July 2017)
- Develop a plan to address key drivers of engagement based on results of the annual engagement survey and the McLean Leadership Index (MLI) pulse checks. (January 2018)
- Implement improvement efforts to address priority engagement drivers identified through the survey results. (June 2018)

### Initiative Risk(s):

1. Low survey response rate will result in incomplete picture of engagement and drivers impacting the score and the inability to appropriately address true areas of concern.
2. Competing enterprise priorities may delay the release of the survey and subsequent action.

### Mitigation(s):

1. Ensure a detailed communication plan includes the benefits and compelling reasons to participate and be part of the change or eventual action.
2. Release the survey at an appropriate time allowing sufficient time to work around competing priorities and engage executive sponsorship to promote a collaborative effort regarding actions to be taken based on survey results.

## TALENT MANAGEMENT

Promote a high-performing and diverse workforce

<b>Objective</b>	Recruit and empower a broad range of talents to meet organization priorities		
<b>Initiative Title:</b>	Expand Diversity and Inclusion Program	<b>Owner:</b>	Brad Pacheco
<b>Description:</b>	Develop and begin implementing a plan to expand the Diversity and Inclusion Program to recruit and empower a broad range of talents to meet organizational priorities	<b>Start Date:</b>	July 2016
		<b>End Date:</b>	June 2018
<b>Intent:</b>	This business initiative is intended to be an enterprise approach to implement Diversity and Inclusion (D&I) efforts in order to increase engagement and integrate best practices across the enterprise.		

### Deliverables with due dates (August 2017):

- Establish partnerships with organizations and educational institutions to share CalPERS perspective on Diversity and Inclusion. (August 2017)
- Finalize, communicate, and implement the new D&I Enterprise Strategy to engage all CalPERS team members. (December 2017)
- Implement best practices for hiring and capturing self-identifying data i.e. demographics. (June 2018)
- Develop D&I survey reporting to achieve desired outcomes related to the Workforce Diversity and Inclusion Strategic Measure. (June 2018)

<b>Owner:</b>	Doug Hoffner					
<b>Start Date:</b>	July 2016					
<b>End Date:</b>	June 2020					
<b>Intent:</b>	Conduct a six-month pilot with up to 25 CalPERS hi-potential journey-level analysts and technical staff to develop their leadership competencies in support of the 2017-22 Strategic Plan Talent Management goal and to mitigate the risk of losing these highly skilled team members.					

### Deliverables with due dates (Month YYYY):

- Identify journey-level analyst/technical staff to participate in the six-month pilot. (September 2017)
- Implement six-month pilot program. (April 2018)
- Present post-pilot evaluation and recommendations report to executive staff to determine future delivery and funding. (June 2018)

### Initiative Risk(s):

Lack of future funding will jeopardize enterprise implementation of the Emerging Leader Program upon successful pilot results.

### Mitigations:

HRSD will propose options to the Executive team:  
 --Each division share a portion of the program costs  
 --The selected participants' division pays the tuition to attend the program  
 --HRSD cuts other enterprise training projects to support this program.
