

Health Care Beliefs

Summary of Discussion

The purpose of this session is to continue dialogue with the CalPERS Board on developing CalPERS Health Care Beliefs, which will serve as a guide for CalPERS Team Members when making decisions for the management and sustainability of the CalPERS Health Benefits Program.

The Board will be presented with an overview and update on the draft Health Care Beliefs and timeline. The Board will also be asked to provide feedback, and participate in an exercise to refine CalPERS Health Care Beliefs.

The materials for this session include:
