The Honorable Jerry Brown
Governor's Office
State Capitol
Sacramento, CA 95814

The Board of Administration (Board) of the California Public Employees' Retirement System (CalPERS), has accepted the June 30, 2017 Actuarial Valuation of the Judges' Retirement System (JRS).

As shown in the report, the market value of assets as of June 30, 2017 is \$48.3 million. Expected required contributions under the current pay-as-you-go funding approach being followed by the State for Fiscal Year 2018-19 is \$207.3 million. The System's present value of benefits as of June 30, 2017 is \$3.4 billion.

The Board has considered the System's funding deficiency to be a serious matter for many years. The CalPERS Board of Administration urges the Governor and the Legislature to consider implementing some form of advance funding of the Judges Retirement System.

As in prior years, CalPERS staff will be happy to work with the Administration in establishing an advance-funding program that is both financially sound and meets the needs of the State.

Per Government Code 75109.5, the Board is pleased to file the 2017 Judges' Retirement System actuarial valuation as of June 30, 2017 with the Governor and the Legislature.

Respectfully,

PRIYA MATHUR, President
Board of Administration

Enclosure
