**April 17, 2018** 

Item Name: Annual Review of Board Member Employer Reimbursements

**Program:** Administration

**Item Type:** Action

#### Recommendation

Approval of the proposed elected Board Member percentages of time to be spent on Board related duties based on Board and committee selections held in January, February and March 2018.

## **Executive Summary**

The Board of Administration's Policy for the Approval of Reimbursement to State, School and Public Agency Employers of Elected Board Members requires the recommended percentage up to 100 percent of the elected Board Member's time that will be required of the Board Member to fulfill his or her duties for approval by the Finance & Administration Committee.

### Strategic Plan

Not Applicable.

### Background

Government Code 20092, as amended January 1, 2014, allows the reimbursement of elected Board Member's salary and benefits paid based on the Board approved percentage.

The costs associated with employer reimbursements are based on the percentage of time the elected Board Member spends on his or her duties as a member of the CalPERS Board of Administration. The percentage is based on the elected Board Member's leave time from their regular work schedule to fulfill his or her responsibilities to the system. Reimbursement to the elected Board Member's employer is processed on a quarterly basis based on the approved percentage of time.

To improve transparency and accountability, an annual summary is provided (Table 1) of employer reimbursed salary and benefits by Board Member, as requested by the employer, for the Fiscal Year 2016/17. The annual summary provides a sound framework that correlates reimbursed costs based on approved percentages to specific activities, the streamlined approval and processing of reimbursement requests from employers, in combination with the Board oversight role.

Included in Table 1, is the summary of employer reimbursed salary and benefits by Board Member, as requested by the employer, for the Fiscal Year 2016/17.

Table 1

Board Member	Salary and Benefits Reimbursed FY 2016/2017
