

## Risk and Audit Committee

# Agenda Item 6a

---

**November 14, 2018**

**Item Name:** Independent Auditor's Report – Fiscal Year 2017-18

**Program:** Audit Services

**Item Type:** Action

### **Recommendation**

Approve the CalPERS Board of Administration's (Board) Independent Financial Statement Auditor's (Independent Auditor) Draft Report and the accompanying required reports for the fiscal year ended June 30, 2018.

### **Executive Summary**

This agenda item presents the Independent Auditor's Draft Report and the accompanying required reports from the auditor to the Risk and Audit Committee (RAC). The RAC's powers reserved include approving the Independent Auditor's required reports.

### **Strategic Plan**

This item is not a specific product of the Strategic Plan. The Government Code section 20228 requires the Board to annually employ a certified public accountant to audit the financial statements.

### **Background**

Management is responsible for accurately preparing the draft financial statements in accordance with generally accepted accounting principles and presenting the draft to RAC for approval. The independent auditor is responsible for planning and performing the audit to obtain reasonable assurance that financial statements are fairly stated in all material respects. The Board's Independent Financial Statement Auditor, KPMG LLP (KPMG), performed the audit of CalPERS Basic Financial Statements as of and for the fiscal year ended June 30, 2018 (FY 2017-18). The Independent Auditor's deliverables include three reports:

- Independent Auditor's Report
- Report to RAC (Required Communications at Planning and the Conclusion of the Audit)
- Report on Internal Control over Financial Reporting and on Compliance and Other Matters (required under Government Auditing Standards)

## Analysis

- KPMG will present the Independent Auditor's Draft Report, reports on required communications and internal controls over financial reporting with this agenda item (Attachments 1, 2, and 3).
- The audited basic financial statements will then be incorporated into CalPERS' upcoming Comprehensive Annual Financial Report (CAFR).
- CalPERS staff will also provide the audited basic financial statements to the State Controller's Office and the California State Auditor's Office for incorporation into the State of California's CAFR.
- A copy of the audit report will be filed with the Governor of California, the Secretary of the Senate, and the Chief Clerk of the Assembly, pursuant to Government Code section 20228.

## Budget and Fiscal Impacts

The fees for the basic financial statements audit is anticipated to total \$1,500,000<sup>1</sup>. Funding was already identified within budgetary resources and is consistent with the Board approved contract.

## Benefits and Risks

Approval of the Independent Auditor's Report will ensure compliance with Government Code section 20228, fulfill a power reserved by RAC, and promote transparency and accountability to the public. Not providing the audit report would result in lack of compliance with the law, non-exercise of a power reserved, and lack of transparency and accountability to the public.
