RCP Policy | Formal Complaints and Issues

- The Investment Office continues to address labor issues as they occur, in accordance with the RCP Policy.
- RCP issues and issues that fall outside of RCP continue to absorb a significant amount of staff time.
- Prioritization of topics which have the highest potential to affect CalPERS returns prevents staff engagement on issues outside of the RCP, such as:
  - CalPERS has no ownership interest in the asset
  - Contract is < $100,000
- No formal complaints were filed during the reporting period
Appendix
Investment Beliefs

Investment Belief 4
Long-term value creation requires effective management of three forms of capital: financial, physical and human

Investment Belief 3
CalPERS investment decisions may reflect wider stakeholder views, provided they are consistent with its fiduciary duty to members and beneficiaries

• Effective July 1, 2015, a Neutrality Trial applies to selected non-core Real Estate and Infrastructure funds on a voluntary basis.
  – All funds within the trial have agreed to continue voluntary compliance
  – Two non-core managers have qualifying assets
  – One manager has reported having qualifying contracts
    • Awarded four qualifying contracts totaling $4.8 million.
    • Reported the Neutrality Trial did not affect bidding process, awarding of new service contracts, nor have a material impact on investment in the asset.
Bidding and Notification Process

- Managers notify unions when expanding into new areas
- Unions provide Managers with lists of responsible contractors
- Managers communicate with Contractors before and during bidding process
- Contractors provide information on wages and benefits and sign a certification of responsible contractor status
- Unions establish contact with local signatories and identify interested and qualified responsible contractors
Manager Responsibilities Report

- Investment Managers that reported costs to administer the RCP estimated between $25,000 - $200,000.

  - Communicated the RCP Policy, and their own written policies or procedures relating to the RCP, to their employees and contractors
  - Monitored and enforced their and their delegates’ compliance with the RCP, including the investigation of potential violations

- 15 Investment Managers reviewed lists of current and pending RCP Contracts provided by each of their contractors.

- Six Investment Managers reported expanding into new areas during the reporting period, and have notified, or are in the process of notifying, trade/service unions of their expansion.

- Most Investment managers provided comments on additional activities undertaken to administer the RCP Policy.
  - Majority of comments concerned outreach regarding bidding opportunities and efforts addressing labor issues.
