

Evolution of Private Markets

Summary of Discussion

This panel will begin with the presentation by Jonathan Coslet, Chief Investment Officer of TPG Capital on TPG's views as to how the role of private assets is evolving in the financial marketplace. Following Mr. Coslet's presentation, the Honorable Jacob "Jack" Lew, former United States Secretary of the Treasury and current Partner of private equity firm Lindsay Goldberg LLC and Dr. Ashby Monk, Executive Director for the Stanford Global Projects Center will discuss their views on the implications raised by TPG's thoughts. The panel will be moderated by Sarah Corr, Interim Managing Investment Director CalPERS Private Equity team and will seek to provide insight on how the market evolution may impact CalPERS.
