

Insight Project Update

Doug Hoffner, Deputy Executive Officer

Anne Simpson, Director, Board Governance and Strategy

Tim Taylor, Chief Technology Innovation Officer

Why now?

- Complex issues and rapidly changing environment
- Significant amount of information provided monthly in support of agenda items
- Need for better content management
- Better signaling of strategic policy decisions
 - Improved education opportunities
 - Better stakeholder engagement and transparency

What are the goals?

- Align reports and documents with Board's decision-making authority
- Enable easier, timely access to information
- Organize all agendas according to Board's delegated authority
- Create a strategic policy calendar
- Deliver more effective content management
