Item Name: Proposed Decision – In the Matter of the Appeal of Accepting the Late Application for Industrial Disability Retirement of KEVIN S. SMITH, Respondent, and CITY OF EL SEGUNDO, Respondent.

Program: Disability and Survivor Benefits Division

Item Type: Action

Parties’ Positions
Staff argues that the Board of Administration should adopt the Proposed Decision.
Respondent Kevin S. Smith’s (Respondent Smith) position is included in Attachment C, if any.

Strategic Plan
This item is not a specific product of either the Strategic or Annual Plans. The determination of administrative appeals is a power reserved to the Board of Administration.

Procedural Summary
Respondent Smith submitted an application for service retirement on May 27, 2015 and retired for service effective October 3, 2015. On June 7, 2016, Respondent Smith submitted an application for Service Pending Industrial Disability Retirement without any claimed disabling condition identified. Because the Disability Retirement Application was a “change in retirement status,” not timely and incomplete, CalPERS requested additional information from Respondent Smith and Respondent City of El Segundo concerning Respondent’s medical condition and information about why he had not claimed disability at or near the time he separated from employment. After review of applicable medical reports and information, CalPERS determined that Respondent’s lateness in filing for Industrial Disability Retirement was not an excusable mistake and therefore, it could not accept his late-filed application. Respondent appealed this determination and the matter was heard by the Office of Administrative Hearings on April 24, 2019. A Proposed Decision was issued on May 22, 2019, affirming CalPERS’ determination and denying the appeal.
