

## Cybersecurity: Governance and Best Practices in a Shifting Threat Landscape

---

### Presenter Bio

**Aravind Swaminathan, Partner, Orrick, Herrington & Sutcliffe**

---

Aravind Swaminathan is a partner at Orrick, Herrington & Sutcliffe, an international law firm, and is a Global Co-chair of Orrick's Cyber, Privacy & Data Innovation team. He has directed more than 150 cybersecurity incident and data breach investigations, including enterprise-wide network intrusions to cyberattacks with national security implications. Before joining Orrick, Mr. Swaminathan was an Assistant U.S. Attorney investigating and prosecuting computer hacking and intellectual property crimes. He has been advising CalPERS on cybersecurity issues since 2015.
