<b>Name of Case (full name):</b>	<b>Beverly Hills Police Officers' Association; Ryan Lawrence; Alex Duncan; Tyler Diamond v. City of Beverly Hills, a Municipal Corporation; California Public Employees' Retirement System (CalPERS); Does 1 through 20</b>
Date Received By Legal Office:	March 5, 2020
Attorney Contact(s):	John Shipley
Program Contact(s):	LEGO
Plaintiff(s):	Beverly Hills Police Officers' Association; Ryan Lawrence; Alex Duncan, Tyler Diamond
Defendant(s):	City of Beverly Hills, a Municipal Corporation; California Public Employees' Retirement System (CalPERS)
Other Parties:	None

Issues/Status:	<p>The Beverly Hills Police Officers' Association (Association), the organization that represents police officers and police sergeants for the City of Beverly Hills (City), sued the City due to an alleged breach of contract. The Association alleges that the City failed to provide the negotiated benefits (3% at 50) for all of the police personnel hired prior to July 1, 2012. The Association alleges the City failed to properly amend its contract with CalPERS to ensure the negotiated benefits were properly paid. The Second Amended Complaint does not allege CalPERS breached any duty, to the Association or the City, but alleges that complete relief is unavailable unless CalPERS is named as a party. CalPERS is in the process of filing an Answer to the Complaint.</p>
Potential Monetary Impact:	Unknown at this time
