

**BOARD OF ADMINISTRATION
CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM
TRAVEL POLICY**

This document is effective immediately upon adoption, and is adopted pursuant to California Government Code sections 20093 and 20120, and California Constitution, article XVI, section 17.

I. PURPOSE

The California Public Employees' Retirement System (CalPERS or the System) is a public trust, and administration of the System is subject to strict fiduciary responsibilities under trust law. The policies set forth in this document are intended to comply with common law trust requirements and to reflect the duties owed to the members and beneficiaries on whose behalf the CalPERS Board of Administration (CalPERS Board) serves.

The CalPERS Board has a fiduciary responsibility to administer the System in the best interests of and ensure the delivery of benefits and related services to CalPERS members and beneficiaries. In order to fulfill their fiduciary responsibilities, there is a need for Board Members to attend business meetings, professional and educational conferences, seminars, and other events that are required to conduct the business of CalPERS, or that will better prepare them to perform their fiduciary duties. Attendance at these events serves the interests of CalPERS and its members and beneficiaries. The System will therefore pay for all approved travel.
