Petition for Reconsideration Ref. No. 2022-0520.OAH No. 2022090030

With all my respect I want to ask the Board to reconsider the decision of denying my disability retirement.

My medical condition is very bad and I wish I was not on this situation, prior to the COVID 19 infection I was a successful individual who always worked since my early age (16 years old), I never depend on any type of public assistance. I hope my medical situation gets better in the near future unfortunately at this point I'm not able to perform a job.

Thank you
