Health Benefits Classes

Our health benefit classes are for those who have, or are eligible for, CalPERS health benefits. You may verify your eligibility by doing one of the following:

- Ask your employer if you are eligible.
- Talk to a CalPERS team member at our event by visiting the Health Benefits table in the exhibit area. You will need the following information:
 - Employer name as contracted with CalPERS (for public agencies & schools)
 - Union name and collective bargaining unit number
- Other important information to know about your CalPERS Health Benefits. If you're not sure, ask your employer:
 - If you have health vesting requirements and what they are
 - If your employer contribution will change when you retire

Social Security

Prepare to speak with a Social Security representative by doing the following:

- Log in to your [my Social Security account](#) and print your latest Social Security Statement.
- Bring a current itemized pay stub.
- Verify if you currently or have ever worked for a government agency where you did not contribute to Social Security.
If you're not sure, ask your human resources or payroll.
- Verify if your spouse has ever contributed to Social Security.
