PART I

Blue Shield expands HMO coverage to Humboldt County

— The CalPERS Board of Administration has approved a proposal to offer a Blue Shield Health Maintenance Organization (HMO) option in Humboldt County. For the past six years, CalPERS members in this area have had no HMO option.

— CalPERS members currently enrolled in a PPO plan (PERSCare or PERS Choice) in Humboldt County will have the opportunity to select the Blue Shield HMO option during a special enrollment period.

Special enrollment period

The special enrollment period will be from March 1, 2007 through March 30, 2007. The effective date of enrollment will be May 1, 2007.

Blue Shield Access+ HMO available in Humboldt

— CalPERS Blue Shield Access+ HMO will offer the same standard benefit plan that it offers in all other Blue Shield coverage areas of the State.

— Blue Shield will provide services through the Humboldt Del Norte Independent Practice Association and local hospitals (St. Joseph, Redwood Memorial Center, Mad River Community, and Southern Humboldt Community).

— Blue Shield Access+ HMO features $10 co-payments for office visits, no out-of-pocket costs for hospitalization, and access to valuable online health management resources. If participants agree to participate in a 15-minute online Wellness Assessment through the Healthy Lifestyle Rewards Program, they can earn $50. Additional cash rewards are available to members who continue to participate in the program.

CalPERS will continue to offer our two PPO plans: PERSCare and PERS Choice; and one Association plan: Peace Officers Research Association of California (PORAC). Members must belong to, and pay dues to PORAC in order to enroll in the PORAC Association Plan.
2007 Blue Shield Access+ HMO plan contract year

Blue Shield’s Access+ HMO contract for Humboldt County will be May 1, 2007, through December 31, 2007. Thereafter, the contract will be on a calendar year basis.

State and contracting agency rates for Humboldt County Blue Shield Access+ HMO

See the following attachments for Humboldt County Blue Shield Access+ HMO rates:

— Attachment 1—the CalPERS 2007 Health Premiums for State and Contracting Agencies in Northern California
— Attachment 2—the CalPERS 2007 COBRA Premiums for State and Contracting Agencies in Northern California

Note: Heath care premiums for contracting agency active employees are based on regional pricing.

Why are public agency rates higher than State rates for Blue Shield Access+ HMO?

The CalPERS Board of Administration adopted regional pricing for public agencies effective January 1, 2005. Regional pricing adjusts premiums to reflect the actual cost of health care in a given region. With regional pricing public agencies pay an amount aligned with what they would pay in the open market for heath care within the Northern California region.

State agencies are not affected by regional pricing.

Note: Members who choose to enroll in the Blue Shield HMO will not have deductibles and will have lower copays for office visits. Also, Blue Shield HMO members may enroll in the Healthy Rewards program for 2007 and could earn up to $200 for the year.
PART II

Member notification

— CalPERS will mail a letter to all members who are currently enrolled in a CalPERS PPO plan in Humboldt County.

— Members will have the opportunity to choose the new Blue Shield Access+ HMO plan during the special enrollment period held for Humboldt County.

Special enrollment packets

Members currently enrolled in a PPO will be mailed a special enrollment packet in late February that will include:

— Special enrollment letter (See Attachment 3)
— Blue Shield CalPERS Health Plan Guide
— CalPERS 2007 Health Premiums for Northern California (See Attachment 1)
— CalPERS 2007 COBRA Premiums for State and Public Agencies (See Attachment 2)

Returned special enrollment packets

Active Employees

— Special enrollment packets returned to CalPERS because of an incorrect address will be forwarded to the employee’s Health Benefits Officer/Assistant to be distributed to the employee.

— Health Benefit Officer/Assistant is asked to have these employees complete a change of address form to ensure future mailings reach the employee in a timely manner.

Retired Members

— Retirees who do not receive their special enrollment packet may call CalPERS at 888 CalPERS or (888-225-7377) to update their address and request a packet.
Determining your employees’ health plan eligibility for Blue Shield Access+ HMO

ZIP codes are used to determine the health plans and regions in which your employees are eligible to enroll. Employees may choose either their home or current work address ZIP code to establish their eligibility.

**NOTE:** Retirees cannot use the address of the agency they retired from to establish eligibility. State employees and retirees should read the following regarding the RHCEP.

Rural Health Care Equity Program (RHCEP) for State employees and retirees ONLY

— To qualify for the Rural Health Care Equity Program (RHCEP), State employees and retirees living in California must be enrolled in a CalPERS-approved health plan (e.g., PERSCare or PERS Choice) in an area where there is no contracted CalPERS HMO available.

— Effective May 1, 2007, State employees and annuitants that live in Humboldt County will no longer qualify for the RHCEP because Blue Shield Access+ HMO will now be available in Humboldt County.

— State employees who reside in Del Norte or Trinity County and who use their Humboldt work ZIP code to enroll in Blue Shield HMO will also no longer be eligible for the RHCEP.

— The RHCEP is administered by the State Department of Personnel Administration (DPA). Contact DPA at 916-327-1439 for further information.

Assisting employees with finding a physician or other provider

If your employees need further help finding a new primary care physician (PCP) or identifying hospitals in the Blue Shield Access+ HMO network, please direct them to the Blue Shield HMO on-line physician directory at [www.blueshieldca.com](http://www.blueshieldca.com) or Blue Shield’s Member Services Department at 1-800-334-5847 for assistance (Monday through Friday from 7 a.m. to 7 p.m.).

— Employees who are enrolling in the Blue Shield Access+ HMO should indicate their choice of PCP when completing the *Health Benefits Plan Enrollment* form (HBD-12).

— Members must choose physicians and hospitals within the CalPERS Blue Shield Access+ HMO network for Humboldt County.
Please encourage employees who are choosing a PCP to call the provider’s office to verify that the PCP is accepting new patients. All provider changes are effective **May 1, 2007**. Blue Shield will issue new member ID cards whenever members change their PCP.

COBRA enrollees

Enrollees who are eligible for health coverage through COBRA may change to the Blue Shield Access+ HMO health plan during the special enrollment period.

- Enrollment changes are completed on a COBRA form (HBD-85).
- COBRA enrollees should contact their former personnel office to obtain instructions on how to enroll or call CalPERS at 888 CalPERS or (888-225-7377).
- The effective date rules for completion of the HBD-85 form are the same as those for the HBD-12 form.
- COBRA rates are calculated at no more than 102 percent of the health plan’s premium rate. Please see Attachment 2 for 2007 Blue Shield HMO COBRA Rates.

NOTE: All forms mailed to CalPERS for special enrollment updates must be received on or before March 30, 2007, to ensure proper update into the system for the May 1, 2007 effective date.

Deadline for submitting ACES transactions for special enrollment

All ACES transactions must be keyed and submitted for update based on the special enrollment dates of March 1, 2007 through March 30, 2007. Users will have additional time after the close of the special enrollment period for transaction input. All special enrollment ACES transactions must be completed by April 06, 2007.
Sequencing transactions

If you are an ACES user, it is important to key in your Special Enrollment transaction based on the earliest effective date.

**Example:**
You have an employee who wants to add a newborn child effective March 1, 2007, and also make a special enrollment change effective May 1, 2007.

1. You must key in the newborn child first, and
2. Key in the special enrollment transaction the following day. If you key in the special enrollment transaction first, you will not be able to add the dependent, and you will need to call our ACES Hotline at 888 CalPERS or (888-225-7377) for assistance.

If you are not an ACES user, please submit the following:

- Two HBD-12 forms to CalPERS for processing;
  - One HBD-12 form to add the newborn child, and
  - One HBD-12 form for the special enrollment change.

- Staple both forms together, and in the “remarks section” number the forms as “1 of 2” and “2 of 2”.

Premium adjustments

May 1, 2007, pay warrants for some members may not reflect the proper premium payment due to unavoidable processing delays during the special enrollment. If this happens, the premium payment will be adjusted during a subsequent pay period. Be sure the system reflects the appropriate enrollment, and advise the member that the payroll discrepancy will be resolved by the first of the next month.

Blue Shield Access+ HMO Identification Cards

Blue Shield Access+ HMO will make every effort to ensure members who changed health plans receive their new identification cards prior to May 1, 2007. Members who have not received identification cards for their new plan should **not** continue to use their prior plan after May 1, 2007. Members should first contact Blue Shield Member Services at 1-800-334-5847 (Monday through Friday from 7 a.m. to 7 p.m.) for assistance in getting new I.D. cards. If unresolved, members may then contact the CalPERS Customer Service and Education Division at 888 CalPERS or (888-225-7377) for assistance.
If you have any questions about the information provided in this circular letter, please contact the CalPERS Employer Contact Center at 888 CalPERS or (888-225-7377).

Sincerely,

Holly A. Fong, Chief
Office of Employer & Member Health Services
