Circular Letter

TO: ALL CALPERS EMPLOYERS

SUBJECT: NEW my|CalPERS LAUNCH DATE

The purpose of this Circular Letter is to inform you that the launch date of the new my|CalPERS has changed from April 19, 2010, to September 20, 2010. CalPERS Chief Executive Officer Anne Stausboll made this announcement recently at the 2009 Educational Forum.

When the system is launched, not only will it enhance the way we serve our members, employers, and business partners, but it will also significantly improve our financial and operational integrity.

Modifying the launch date, allows for enhanced testing of the new system. This change enables CalPERS to provide a better product to both our employers and members. The new launch date also affords additional time for employers and third-party service providers to prepare their files to successfully make the transition to my|CalPERS. Finally, it provides greater opportunity to train you and our business partners how to use my|CalPERS.

Today, the my|CalPERS project management team is working with our business partner, Accenture, to make revisions to the existing project timelines. These adjustments will take several weeks to complete. As we finalize the schedule, we will update the PERT Web area with details to ensure you have this information as quickly as possible.

As always, we will continue to keep you informed about the educational opportunities available to you through the Public Employees Readiness Team (PERT) Web area on CalPERS On-Line at www.calpers.ca.gov/pert. Please also convey any questions or concerns directly by email at CalPERS_PERT4U@calpers.ca.gov or contact our Employer Contact Center toll free at **888 CalPERS** (or **888-225-7377**).

Lori McGartland, Chief
Employer Services Division
