A
California Public Employees’ Retirement System
2009 Member-At-Large Board Election

INSTRUCTIONS TO THE AGENCY ELECTION OFFICER
RUNOFF ELECTION

As the designated Agency Election Officer for your agency, department or County school, you are acting as an agent of the California Public Employees’ Retirement System (CalPERS). Please read and follow the CalPERS instructions carefully and ensure all your actions are compatible with ethical election practices.

INFORMATION

CalPERS members active as of October 1, 2009, are eligible to vote in this election. Retired members whose date of retirement was on or before October 1, 2009 are also eligible to vote in this election.

On November 9, 2009, CalPERS mailed a ballot package directly to each eligible active and retired member’s residential address.

Any eligible member who does not receive a ballot package by November 23, 2009, and desires to vote, should contact the Board Elections Office immediately at (916) 795-3952, local, or (800) 794-2297, toll free.

EMPLOYER REPORT OF CalPERS ELIGIBLE VOTERS

The enclosed report shows in alphabetical order, the names and birth year of the CalPERS members in your agency who are eligible to vote in this election. The information on the report is confidential and is to be used only by the employer as election reference information, and not for any other purpose.

BALLOT PACKAGE DELIVERY TO IDENTIFIED MEMBERS

If you received any undeliverable ballot packages in this mailing, please deliver them to the member whose name is shown on the packages, and advise each member to whom you gave a package that they are responsible for mailing his or her own envelope containing the voted official ballot to the address shown on the return envelope. Do not collect and mail the ballot for the member.

IMPORTANT NOTE: The timeframe in which members can vote is short. If you receive any ballot packages, then it is essential that you distribute these packages to the identified members as soon as possible, no later than November 23, 2009, in order to allow these members the opportunity to return their voted ballots to CalPERS before the December 4, 2009 voting deadline date.

You are responsible for delivering only the material from CalPERS. Enclosure of any campaign material or material endorsing any candidate is contrary to the duty of the Agency Election Officer in conducting a fair and impartial election.

NO BALLOT PACKAGES SENT TO YOUR AGENCY BY CalPERS

It is possible that no ballot packages are sent to your agency. This is because CalPERS had current address information for all eligible members in your agency.
