June 26, 2014

TO: ALL PEMHCA CONTRACTING AGENCY HEALTH BENEFITS OFFICERS AND ASSISTANT HEALTH BENEFITS OFFICERS

SUBJECT: CALPERS CONTRACTING AGENCY ADMINISTRATIVE FEE FOR FISCAL YEAR 2014-15, RESOLUTION CHANGE PROCESS, TERMINATION PROCESS AND BILLING CUT-OFF DATES

Administrative Fee For Fiscal Year 2014-15
Effective July 1, 2014, the CalPERS Board of Administration set the Public Employees’ Medical and Hospital Care Act (PEMHCA) administrative fee to 0.34 percent. The administrative fee is calculated on total active and total retired health premiums each month.

NOTE: The new administrative fee becomes law upon passage of the State of California budget for the Fiscal Year 2014-15. If the budget is not passed until after the release of this Circular Letter, the new administrative fee and a retroactive adjustment will be reflected in a future health premium statement in a line item under the description “Administrative Costs.”

Contracting Agency Resolution Change Process
Agencies that need to change employer health benefit contributions for January 1, 2015, must submit resolution(s) approved by their governing board, no later than November 30, 2014, at 5:00 p.m. Contribution changes are effective the first of the second month following receipt by CalPERS; therefore, resolutions filed with CalPERS after November 30th will not be processed for an effective date of January 1, 2015.

Contracting Agency Termination Process
Contracting agencies may elect to terminate their participation in PEMHCA by filing a resolution passed by a majority vote of their governing body. The resolution must be filed no later than 60 days after the CalPERS Board approves the health premiums for the 2015 contract year. The resolution electing to terminate must be filed with:

Customer Account Services Division
Health Contract Services
P.O. Box 942714
Sacramento, CA 94229-2714

The deadline for receipt of the resolution at CalPERS is Monday, August 19, 2014, at 5:00 p.m. and is irrevocable after the filing of the resolution. Terminations are effective on January 1, 2015. Terminated agencies may not re-enter PEMHCA for five years from the termination date.

Attached is a copy of the Health Billing Cut-Off Dates for billing months August 2014 through January 2015 for contracting school districts and public agencies.

All employers must key and submit transactions by 11:59 p.m. on the cut-off date for each billing month. If a school district or public agency keys and submits a transaction after the cut-off date, the transaction will appear on the subsequent month’s statement. Employers must verify all transactions within my|CalPERS to ensure that they have been accurately uploaded.

CalPERS wants to ensure your payments are applied accurately and timely. Please send a copy of the Remittance Slip with the monthly payment, as billed using Electronic Fund Transfer (EFT) or mail, and indicate on it to which Receivable ID your payments are applied.

**Underpayments:** If an employer does not pay the full amount provided under Total Payment Due By, the payment received will be applied to the current receivable only and not to any past due amounts. The Total Payment Due By includes the amounts associated with the current Receivable ID, any past due Receivable ID(s) and any assessed interest and penalties from prior delinquent month(s).

**Overpayments:** If an employer overpays the Total Payment Due By amount and there is not a past due Receivable ID, the current Receivable ID will be paid and closed, and the remaining credit will be applied to a future Receivable ID.

Payments must be received by the 10th day of each month. Interest is assessed on the unpaid receivable balance beginning on the 11th day of the month at an annual rate of 10 percent (10%) until paid in full. If the 10th falls on a weekend or holiday, the payment must be received by the preceding business day.

Example:
Sunday is the 10th of the month. Your payment must be received by Friday the 8th to avoid interest charges.
Key Points In Reconciling

Contracting school districts and public agencies are strongly encouraged to reconcile their monthly statements to ensure all enrollments are accurately reflected for active and retired employees. Reconciliation ensures employers are accurately billed, only eligible members are receiving benefits, and provides CalPERS the ability to negotiate lower health care costs. Below are helpful reminders for a successful reconciliation.

- Submit approved resolutions for contract changes timely
- Report health enrollment transactions accurately and timely to ensure transactions will be reflected on the statement (retain Health Benefits Plan Enrollment [HBD-12] and Declaration of Health Coverage [HBD-12A] forms on file for all employees)
- Confirm health enrollment changes by utilizing the Monthly Employer Billing Roster in myCalPERS
- Reconcile the monthly statement to the Monthly Employer Billing Roster to ensure coverage of eligible members only and the accuracy of their retirement system and medical group enrollment
- Timely key permanent separation and retirement dates of members or deletion of dependents in myCalPERS to receive the allowed maximum refund (6 months) of health premiums (refer to Circular Letter #600-215-05 at www.calpers.ca.gov)
- Pay timely the full amount of each statement including assessed interest and penalties; any adjustments will be credited on a subsequent statement
- Update the PA Billing contact information in myCalPERS and select “Primary” and “Main” to ensure delivery of the monthly statement to the appropriate staff
- Refer to the Monthly Billing Summary Page in myCalPERS for information regarding the Public Agency Billing function
