The purpose of this Circular Letter is to inform you of the following employer contribution rates that were approved by the California Public Employees' Retirement System's (CalPERS) Board of Administration on April 15, 2015. This rate becomes effective with the first payroll period that ends in July 2015 and is in effect for the 2015-16 Fiscal Year:

The employer contribution rate will continue to vary annually. Member contribution rates remain unchanged for the Fiscal year 2015-16. School employees that meet the definition of a new member under the Public Employees' Pension Reform Act (PEPRA) will continue to contribute 6 percent of reportable compensation. Classic members will continue to contribute 7 percent of reportable compensation.

Additional information is in the Finance and Administration Committee Agenda item dated April 14, 2015, item 8c.
