Health Benefits Circular Letter

June 13, 2018
Circular Letter: 600-035-18
Distribution: VI, XII, XVI

To: All Public Agency and School Employers

Subject: CalPERS Employer Health Benefits Program Workshops

Purpose

This Circular Letter is to inform you of the upcoming CalPERS Health Benefits Program workshops. These workshops are a great opportunity for existing public agency and school employers to review how their current health resolutions are established, and what changes are available. Prospective agencies can learn how others have benefited from participating in the program, and how it may be a good fit for them, too. Public agencies and schools do not need to have a pension contract with CalPERS to participate in the CalPERS Health Benefits Program.

Description:

These workshops provide information on the following topics:

- CalPERS Health Benefits Program and Public Employees' Medical and Hospital Care Act (PEMHCA),
- CalPERS health plans, rates, and benefits, and
- Establishing a resolution (contract) with CalPERS and learning about various resolution options.
